Surprised By Scripture Engaging Contemporary Issues:

Surprised by Scripture Tom Wright, 2014-08-21 In this challenging collection of his best recent sermons and speeches Tom Wright provides a series of case studies that show how the Bible can be applied to pressing contemporary issues including How it is possible to love the Bible and affirm evolution Why belief in heaven means we should be at the forefront of the environmental movement Where Christians today have lost focus and why it is important for them to engage in politics Helpful practical and wise *Surprised by Scripture* demonstrates how to affirm the Bible in today's world as well as mapping out new ways of applying its principles and engaging effectively with the world around us [African Pentecostalism and Eschatological Expectations](#) Marius Nel, 2019-09-16 The Pentecostalisation of African Christianity has been called the African Reformation of the past thirty years African Pentecostalism is a diverse movement characterised by its emphases on Spirit baptism divine healing charismatic worship and eschatological expectations This work investigates its eschatological systems in terms of its unrealised expectation of the second coming of Christ and suggestions are presented for the movement to keep its eschatology at the heart of its impetus This is accomplished through a hermeneutical awareness of the distinctiveness of Pentecostalism as a restorationist movement Written for pastors church leaders and believers this book discusses the literalistic way of reading the Bible in most of the classical Pentecostal components of African Pentecostalism supporting their premillennialist and even dispensational eschatological views It suggests a new Pentecostal hermeneutics developed by scholarship in the past forty years in line with significant elements of the way in which early Pentecostals read the Bible This new hermeneutical awareness implies new and exciting ways of thinking about eschatology that will enrich and enlighten African Pentecostalism in its hope for the second coming of Christ *Is God a Misogynist?* David Wilber, 2020-02-17 Secular feminists claim that Christianity is a misogynistic religion and that the Bible is bad for women Are these claims true Would women be better off if we all became atheists Is the God of the Bible portrayed as a sexist who prescribes female inferiority by divine decree What does the Bible actually teach about the value and personhood of women David Wilber's book *Is God a Misogynist* Understanding the Bible's Difficult Passages Concerning Women explores these questions and uncovers God's true heart toward women as revealed in the Scriptures This book addresses common objections to the Bible from modern feminism does the Bible really endorse polygamy sanction rape regard women as property etc in addition to bringing correction to unbiblical doctrines that are pushed by some segments of the Church Wilber's thoughtful and balanced approach to the Scriptures helps the reader understand how to reconcile difficult passages with the goodness of God who has revealed Himself to be a lover and protector of women **Reconstructing Prayer** Andrew Ray Williams, 2023-04-28 In the West many Christians are deconstructing and or doubting their faith As a result some people seeking to follow Jesus have become disillusioned with prayer perhaps even skeptical about it And yet there is still a great desire and longing for connection with God What is needed then is a reconstructed account of prayer one that is theologically robust pastorally

honest and spiritually wise Andrew Ray Williams seeks to provide such an account by providing meditations on childlike prayers in hopes that it might open new ways of understanding specific issues related to Christian faith

Ten Great Ideas from First Corinthians George Renner, Mark Shaw, 2021-10-19 First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the Western world in the twenty first century The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus's death and resurrection God has begun his new creation agenda amid the broken world of today This is not just another commentary there are many very good ones but rather we present a biblical theology of church renewal based on solid exegesis and our experience as teachers and pastors in both Africa and North America This book will pull out the essential teaching of Paul on renewal in ten manageable principles or great ideas Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope When churches make the shift from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things the church begins to move and the world begins to change

Constructing Eschatology Nixon de Vera, 2022-01-03 This work seeks to provide a critical analysis of the prophecies in the book of Isaiah that parallels the prophetic insights in the book of Revelation The underlying question is To what extent has God foreordained things especially before and during the final judgment The author thinks all that concerns God's majestic plan i.e. to accomplish God's purpose for humanity is covered in its entirety God is highly active in foreordaining things and whatever God foreordains shall be fulfilled in the end Isaiah's conception of the interplay between the themes of punishment and healing is central to his eschatological trajectory In this respect theologically speaking the total restoration of Israel signifies the restoration of all humankind Such an eschatology might accommodate the notion of Christian Universalism

The Justice Demand Ronald J. J. Wong, 2024-08-27 Where is social justice in the Gospel Where is social justice in the Singapore Church These are the two main questions this book seeks to explore Through the recount of the author's journey of discovering social justice in the Bible on the streets of Singapore in the long history of the Singapore and global Church a survey of local Christians and interviews with Christian justice seekers and pastors this book challenges the Singapore Church as God's Kingdom community to reclaim biblical social justice as an integral facet of living the Gospel and manifesting God's Kingdom

Excavating Women Carina Oliveira Prestes, 2025-06-17 Modern readers often look at the past with distorted presuppositions about women's participation in early Christianity However women had a prominent role in society and in religious leadership in the Greco Roman world *Excavating Women* investigates the leadership of women in Christian churches during the first six centuries of the common era through a study of the archaeological remains Carina Prestes surveys the role of women in Greco Roman society highlighting their importance for Greek and Roman cults and examining funerary remains of the first centuries of the common era to better

understand the role of women in Christian communities The archaeological evidence is placed in historical and sociocultural context to avoid characteristic biases of certain media and to allow a nuanced perspective of the history Excavating Women also investigates some of the early Christian mosaics in their contexts based on the study of semiotics the hierarchy of spaces and biblical passages portrayed in them These sources reveal a strong participation of women in the clerical leadership of early Christianity in agreement with the funerary remains Excavating Women impacts the perception of women today not only in Christian circles but also in society at large The Bible Reset Alex Goodwin,2023-10 Confused Frustrated Apathetic If you feel this way about the Bible you re not alone The reality is that we ve been set up to fail when we read the Bible inheriting barriers and habits that make reading Scripture harder than it needs to be Alex Goodwin co founder of the Institute for Bible Reading will show you a better way forward **The Influence of the Church on the Local Community** Abraham G. Ndung'u,2021-01-05 The church is called to be the agency through which God is not only known but through which his kingdom is also advanced This book therefore is an attempt to examine the church s influence on communities through social justice practices as part of advancing the gospel of the kingdom of God The book brings out results of a study about a congregation s significant impact on a local community through varied social justice programs The book also provides relevant recommendations on how such initiatives can be improved for a more effective kingdom driven ministry to local communities It is hoped that the example of J Jireh Ministry Church provides a case worthy of emulation by other churches congregations and similar faith based community organizations for ministering to social justice needs at the local level
