The Curious Case Of Benjamin Button:

The Curious Case of Benjamin Button F. Scott Fitzgerald, 2008 The Curious Case of Benjamin Button is one of F Scott Fitzgerald's most memorable short stories The protagonist Benjamin Button is born an old man and ages in reverse until he becomes a baby and then finally vanishes from the earth In a short introduction to the story Fitzgerald wrote This story was inspired by a remark of Mark Twain's to the effect that it was a pity that the best part of life came at the beginning and the worst part at the end By trying the experiment upon only one man in a perfectly normal world I have scarcely given his idea a fair trial Several weeks after completing it I discovered an almost identical plot in Samuel Butler's *Note books* The Curious Case of Benjamin Button was the inspiration for the major motion picture of the same name and remains one of Fitzgerald's most haunting and beautiful tales This collection also includes three other Jazz Age tales by Fitzgerald **The Curious**
