Am I Good Enough? Andy Stanley, 2009-02-19 I Ask Myself Every Day Am I Good Enough Christians claim that Jesus is the only way to heaven But how could a good God who created the entire universe in all its diversity be so limiting Is Christianity unfair Isn't it more fitting to believe that good people from any religious or nonreligious background go to heaven rather than people from one particular belief system Maybe not says Andy Stanley In this updated edition of the bestselling book teen readers will find out why Jesus taught that goodness is not even a requirement to enter heaven and why Christianity is beyond fair Andy Stanley leads the next generation of young people to a grateful awareness of God's enormous grace and mercy If only good people go to heaven would I make the cut If Christianity is true why is God so narrow minded And why aren't the answers obvious They are Find out why being good enough has nothing to do with heaven's requirements and why God is in fact not fair at all Story Behind the Book Andy Stanley has a heart for families and a special place for today's youth Having served for many years as a youth and young adult pastor at a large church in Atlanta his greatest goal was to lead a young person to Christ With the success of his book How Good Is Good Enough and its acceptance as a widely used evangelistic tool it was a natural step to refine this important question for the youth of today Andy wanted to write a text that was aimed right at the heart of today's young culture and put a cover on the book that would interest and attract them to it Today's youth are constantly looking for assurances in a crazy world They get that assurance by learning that it is not how good you are but that you are forgiven
