Solving the Mystery of Babylon the Great Edward Hendrie, 2011-03-11 Attorney and Christian researcher Edward Hendrie investigates and reveals one of the greatest exposes of all time a book you don't want to miss Solving the Mystery of Babylon the Great is packed with documentation Never before have the crypto Jews who seized the reins of power in Rome been put under such intense scrutiny

Texe Marrs Power of Prophecy People have wondered and debated for centuries about the identity of the mysterious Babylon the Great in the book of Revelation Solving the Mystery of BABYLON THE GREAT examines the historical evidence in light of the scriptures and solves the mystery The evidence leads to the ineluctable conclusion is that the Roman Catholic Church was established by crypto Jews as a false Christian front for a Judaic Babylonian religion That religion is the nucleus of a world conspiracy against man and God That is not a soft conspiracy theory based upon speculation but rather the hard truth based upon authoritative evidence which is documented in this book Texe Marrs explains in his foreword to the book Who is Mystery Babylon What is the meaning of the sinister symbols found in these passages Which city is being described as the great city so full of sin and decadence and who are its citizens Why do the woman and beast of Revelation seek the destruction of the holy people the saints and martyrs of Jesus What does it all mean for you and me today Solving the Mystery of Babylon the Great answers these questions and more Edward Hendrie's discoveries are not based on prejudice but on solid evidence aligned forthrightly with the whole counsel of God He does not condone nor will he be a part of any project in

which Bible verses are taken out of context or in which scriptures are twisted to mean what they do not say Again and again you will find that Mr Hendrie documents his assertions backing up what he says with historical facts and proofs Most important is that he buttresses his findings with scriptural understanding The foundation for his research is sturdy because it is based on the bedrock of God s unshakeable Word *A Biblical Defense of Catholicism* Dave Armstrong,2003 Author David Armstrong shows that the Catholic Church is the Bible Church par excellence and that many common Protestant doctrines are in fact not Biblical
