Guide June Harvey, 2024-04-19 *Confessions of a Crazy Tour Guide* is a collection of true stories. Each chapter is an accurate account of a travel adventure gone horribly wrong. What makes each story unique is the humorous retelling of the event. Some are heartfelt while others are just too crazy to be believed. Only by reading this book can you get a sense of the unbelievable turmoil when a perfectly planned group travel trip goes awry. Each adventure will put a smile on your face. This is for anyone who wants a laugh. This is for anyone who wonders how they will get out of a mess someone else created. This is for anyone who likes to see the impossible come true. This is for anyone who wants to say, "There is no way that actually happened."

Rituals to Observe Ethan Laughman, 2019-09-01 These stories amount to something more than a celebration of the holidays dotting our calendars from month to month. Even though holidays can occasion a return to the familiar, these stories challenge traditional associations. Each story serves to complicate how we observe the human observation of holidays and offers a nuanced understanding of related themes such as family and motherhood, travel, grief and mourning, processes and memory. More generally, holidays are days of observance and that aspect alone offers a lot to unpack.
