

A TIMELINE OF CHURCH HISTORY

The Church In History

James B. North, Don Umphrey

The Church In History:

The Church in History B. K. Kuiper, 1988-06 An absorbing survey of the history of the Christian church from A D 33 to the present including a comprehensive section on the church in the United States and Canada An ideal text for secondary schools and Bible institutes

A History of the Church James B. North, Don Umphrey, 1991 Church history books must choose either brevity or thoroughness A History of the Church does an excellent job combining both Although it has been used as a college textbook it also has been used successfully in local churches and personal study of church history as well

The Church History of Britain Thomas Fuller, 1845

History of the Church Philip Hughes, 1948-01-01 This volume covers one of the most critical and one of the most interesting periods in the history of the Church It is from the beginning a period of revolt the revolts of thinkers and mystics of princes and kings of bishops and monks of capitalist bourgeois and proletarian workers It is the story of the Templars of the Avignon captivity and the Great Schism of the West of the councils of Pisa and Contance and Basel of the Renaissance and the rise of the Ottoman Turks It is the story too of philosophers Duns Scotus and Ockham theologians Gerson Nicolas of Cusa and Cajetan m and humanists More Machiavelli and Erasmus Popes of the period include Boniface VIII Benedict XIII Nicholas V and Pius II as well as the notorious Borgia della Rovere and Medici pontiffs And in these 250 years which culminated in the Reformation come Wicklif John Hus and Martin Luther and Catherine of Sienna Vincent Ferrer and Antonius of Florence

Christianity Through the Centuries Earle E. Cairns, 2009-09-13 The third edition of *Christianity Through the Centuries* brings the reader up to date by discussing events and developments in the church into the 1990s This edition has been redesigned with new typography and greatly improved graphics to increase clarity accessibility and usefulness New chapters examine recent trends and developments expanding the last section from 2 chapters to 5 New photos Over 100 photos in all more than twice the number in the previous edition Single column format for greater readability and a contemporary look Improved maps 21 and charts 39 Building on the features that have made *Christianity Through the Centuries* an indispensable text the author not only explains the development of doctrines movements and institutions but also gives attention to the impact of Christianity on its times and to the mark of the times on Christianity

The Church in History Barend Klaas Kuiper, 1982 A standard survey of the history of the Christian church from A D 33 to modern times *The Church in History* by B K Kuiper has long been the textbook of choice for many secondary schools and Bible institutes having sold well over 150 000 copies since first published more than a half century ago Detailed and fact filled yet balanced and readable this volume offers a panoramic view of the church s growth worldwide throughout the past 2 000 years including a comprehensive section on the church in the United States and Canada With close to 300 photographs maps and timelines throughout and thought provoking study questions at the end of each chapter *The Church in History* is an excellent introductory resource for students or for anyone wanting to better understand the history of the church Page 4 of cover

Church History in Plain Language

Bruce Shelley, 2013-12-10 Church History in Plain Language makes church history clear memorable and accessible to every reader Dr Bruce Shelley makes church history come alive in this classic book that has become not only the first choice of many laypeople and church leaders but the standard text in many college classrooms Church History in Plain Language treats history as the story of people their motivations the issues they grapple with the decisions they make and the result is that history reads like a story almost as dramatic and moving as a novel This fourth edition revised by R L Hatchett brings the story of Christianity into the twenty first century with detailed information on Theology of the early church and Reformation Gnosticism and its ongoing relevance The rapid global extension and transformation of Christianity since 1900 The decline in traditional mainline denominations The influence of technology on the spread of the gospel How Christianity intersects with other religions in countries all over the world Church History in Plain Language makes history easy to follow and retain by dividing the Christian story into the great ages of the church Its clarity organization and historical accuracy are part of what make this book a go to resource for today s readers [The Church History of the First Three Centuries](#)
