The Circus And Victorian Society The Circus And Victorian Society:

The Circus and Victorian Society Brenda Assael, 2005 This conflict informs us not only of the complicated role that the circus played in Victorian society but provides a unique view into a collective psyche fraught by contradiction and anxiety

The Circus and Respectable Society in Victorian Britain Brenda Assael, Harvard University, 1998 **London Zoo and the Victorians, 1828-1859** Takashi Ito, 2014 London Zoo examined in its nineteenth century context looking at its effect on cultural and social life At the dawn of the Victorian era London Zoo became one of the metropolis's premier attractions The crowds drawn to its bear pit included urban promenaders gentlemen menagerists Indian shipbuilders and Persian princes Charles Darwin himself This book shows that the impact of the zoo's extensive collection of animals can only be understood in the context of a wide range of contemporary approaches to nature and that it was not merely as a manifestation of British imperial culture The author demonstrates how the early history of the zoo illuminates three important aspects of the history of nineteenth century Britain the politics of culture and leisure in a new public domain which included museums and art galleries the professionalisation and popularisation of science in a consumer society and the meanings of the animal world for a growing urban population Weaving these threads altogether he presents a flexible frame of analysis to explain how the zoo was established how it pursued its policies of animal collection and how it responded to changing social conditions Dr

Takashi Ito is Associate Professor in Modern British History Tokyo University of Foreign Studies **Tracing War in British Enlightenment and Romantic Culture** Gillian Russell, Neil Ramsey, 2016-04-29 This volume argues for the enduring and pervasive significance of war in the formation of British Enlightenment and Romantic culture Showing how war throws into question conventional disciplinary parameters and periodization essays in the collection consider how war shapes culture through its multiple divergent and productive traces **The Cambridge Companion to the Circus** Gillian Arrighi, Jim Davis, 2021-07 An authoritative introduction to the specialised histories of the modern circus its unique aesthetics and its contemporary manifestations and scholarship from its origins in commercial equestrian performance to contemporary

inflections of circus arts in major international festivals educational environments and social justice settings **The Victorian World** Martin Hewitt, 2013-01-25 With an interdisciplinary approach that encompasses political history the history of ideas cultural history and art history The Victorian World offers a sweeping survey of the world in the nineteenth century This volume offers a fresh evaluation of Britain and its global presence in the years from the 1830s to the 1900s It brings together scholars from history literary studies art history historical geography historical sociology criminology economics and the history of law to explore more than 40 themes central to an understanding of the nature of Victorian society and culture both in Britain and in the rest of the world Organised around six core themes the world order economy and society politics knowledge and belief and culture The Victorian World offers thematic essays that consider the interplay of domestic and global dynamics in the formation of Victorian orthodoxies A further section on Varieties of Victorianism offers

considerations of the production and reproduction of external versions of Victorian culture in India Africa the United States the settler colonies and Latin America These thematic essays are supplemented by a substantial introductory essay which offers a challenging alternative to traditional interpretations of the chronology and periodisation of the Victorian years Lavishly illustrated vivid and accessible this volume is invaluable reading for all students and scholars of the nineteenth century

Conceptualizing Cruelty to Children in Nineteenth-Century England Monica Flegel,2016-05-23 Moving nimbly between literary and historical texts Monica Flegel provides a much needed interpretive framework for understanding the specific formulation of child cruelty popularized by the National Society for the Prevention of Cruelty to Children NSPCC in the late nineteenth century Flegel considers a wide range of well known and more obscure texts from the mid eighteenth century to the early twentieth including philosophical writings by Locke and Rousseau poetry by Coleridge Blake and Caroline Norton works by journalists and reformers like Henry Mayhew and Mary Carpenter and novels by Frances Trollope Charles Dickens Wilkie Collins and Arthur Morrison Taking up crucial topics such as the linking of children with animals the figure of the child performer the relationship between commerce and child endangerment and the problem of juvenile delinquency Flegel examines the emergence of child abuse as a subject of legal and social concern in England and its connection to earlier primarily literary representations of endangered children With the emergence of the NSPCC and the new crime of cruelty to children new professions and genres such as child protection and social casework supplanted literary works as the authoritative voices in the definition of social ills and their cure Flegel argues that this development had material effects on the lives of children as well as profound implications for the role of class in representations of suffering and abused children Combining nuanced close readings of individual texts with persuasive interpretations of their influences and limitations Flegel s book makes a significant contribution to the history of childhood social welfare the family and Victorian philanthropy

Provocation in Popular Culture Bim Mason,2015-07-24 What role can provocation play in the process of renewal both of individuals and of societies Provocation in Popular Culture is an investigation into the practice of specific provocateurs and the wider nature of cultural provocation examining among others Banksy Sacha Baron Cohen Leo Bassi Pussy Riot Philippe Petit Archaos Drawing on Bim Mason s own twenty five year career as performer teacher and creative director this book explores the power negotiations involved in the relationship between provocateur and provoked and the implications of maintaining a position on the edge Using neuroscience as a bridge it proposes a similarity between complexity theory and cultural theories of play and risk Three inter related analogies for the edge on which these performers operate the fulcrum the blade and the border reveal the shifts between structure and fluidity and the ways in which these can combine in a single moment

The Thrill Makers Jacob Smith,2012-05 Starring human flies daredevil aviators bridge jumpers and lion tamers The Thrill

Makers is a great read as evocative as it is theoretically savvy and convincingly argued Culling telling details from a host of long overlooked sources Jacob Smith's account of sensational high risk public performance from the Victorian age to the 1930s unearths and illuminates the interwoven histories of public spectacle masculinity the motion picture industry new forms of celebrity and the expanding American metropolis Greg Waller Department of Communication and Culture Indiana University The Thrill Makers is an historical tour de force that illuminates the origins of risk taking performance in American entertainment and shows how its practitioners were gradually marginalized as invisible stunt doubles during the rise of the motion picture industry Smith's analysis of the lion tamer the human fly and the airplane wing walker as well as the many others who thrilled audiences before and during the advent of cinema inspires us to reconsider the nature of media spectacle masculinity performance celebrity and labor at the turn of the last century Impeccably researched this book is a captivating read that re frames the emergence of cinema in the context of its relationship to other forms of modern entertainment Barbara Klinger author of Beyond the Multiplex Cinema New Technologies and the Home
