The Cleveland Orchestra Story Second To None:

The Cleveland Orchestra Story Donald Rosenberg, 2000 How did a late blooming midwestern orchestra rise amid gritty Big Industry to become a titan in the world of Big Art This groundbreaking book tells the complete story of the people and events that shaped the Cleveland Orchestra into a classical music legend It taps the most authoritative sources to show how decisions were made along the often bumpy road to artistic and financial success Told with plenty of anecdotes and intriguing behind the scenes details

Music in Ohio William Osborne, 2004 Music has played an important role in Ohio s cultural vitality This work offers a comprehensive look at music as it has been practised in Ohio from the 18th century onwards from folk to jazz to rock to the polka It also examines the music of the Moravians Mormons and Welsh

Music, Art and Diplomacy: East-West Cultural Interactions and the Cold War Simo Mikkonen, Pekka Suutari, 2017-05-15

Music Art and Diplomacy shows how a vibrant field of cultural exchange between East and West was taking place during the Cold War which contrasts with the orthodox understanding of two divided and antithetical blocs The series of case studies on cultural exchanges focusing on the decades following the Second World War cover episodes involving art classical music theatre dance and film Despite the fluctuating fortunes of diplomatic relations between East and West there was a continuous circulation of cultural producers and products Contributors explore the interaction of arts and politics the role of the arts in diplomacy and the part the arts played in the development of the Cold War Art has always shunned political borders wavering between the guidance of individual and governmental patrons and borderless expression While this volume provides insight into how political players tried to harness the arts to serve their own political purposes at the same time it is clear that the arts and artists exploited the Cold War framework to reach their own individual and professional objectives

Utilizing archives available only since the collapse of the Soviet Union the volume provides a valuable socio cultural approach to understanding the Cold War and cultural diplomacy
