Brown, 2005-08-29 A highly original account of the spatial metaphor of the closet Using a variety of research techniques and materials the book explores the closet through texts including oral histories travel literature Butler Lefebvre and Foucault **From Camp to Queer** Robert Reynolds, 2002 In this important timely and deeply engaged book Robert Reynolds traces the passionate often turbulent courageous and committed ways in which homosexuals told their stories From camp to gay to the recent movement of queer from modern to post modern **Gay Ethics** Timothy F Murphy, 2013-04-03 Gay Ethics is an anthology that addresses ethical questions involving key moral issues of today sexual morality outing gay and lesbian marriages military service anti discrimination laws affirmative action policies the moral significance of sexual orientation research and the legacy of homophobia in health care It focuses on these issues within the social context of the lives of gay men and lesbians and makes evident the ways in which ethics can and should be reclaimed to pursue the moral good for gay men and lesbians Gay Ethics is a timely book that illustrates the inadequacies of various moral arguments used in regard to homosexuality This book reaches a new awareness for the standing and treatment of gay men and lesbians in society by moving beyond conventional philosophical analyses that focus exclusively on the morality of specific kinds of sexual acts the nature of perversion or the cogency of scientific accounts of the origins of homoeroticism It raises pertinent questions about the meaning of sexuality for private and public life civics and science Some of the issues covered Sexual Morality Outing Same Sex Marriage Military Service Anti Discrimination Laws Affirmative Action Policy The Scientific Study of Sexual Orientation Bias in Psychoanalysis Homophobia in Health Care Gay Ethics presents a wide range of perspectives but remains united in the common purpose of illuminating moral arguments and social policies as they involve homosexuality The chapters challenge social oppression in the military civil rights and the social conventions observed among gay men and lesbians themselves This book is applicable to a broad range of academics working in gay and lesbian studies and because of its current content is of interest to an educated lay public It will be a standard reference point for future discussion of the matters it addresses **A Manifesto About Stalking Patrick Hyland** Francis Nally, 2018-03-25 Francis Nally's A Manifesto About Stalking Patrick Hyland is a collection of essays from his cult classic website Asian Aryanism.com It has nothing to do with national socialism but rather flips the ideology of the alt right on its head by introducing a conceptual bicultural world after the fall of globalism and the

beginning of communal ethnonationalism He argues that Eurasian people and interracial couples must secure a destiny and a culture based around identity politics Nally is a pioneer in the avant garde blogging movement known as the alt left His writing has been compared to Jim Goad Peter Sotos and Katherine Dunn A work of stunning originality this book is a manual for all advocates of eurasian futurism and proper miscegenation Full of humor wit insight and theory fiction This book is for people who get it www.pilleater.com , **Queer Social Philosophy** Randall Halle,2004-06-28 Annotation Although queer theory is a predominantly American invention its insights have rested on those of European critical theory In **Queer Social Philosophy** however Randall Halle uses the former to critique the latter conducting the first sustained queer critique of seminal works in German critical theory including those by Kant Hegel Marx Nietzsche Adorno and Habermas While acknowledging these figures positive contributions to the social philosophy of modernity Halle exposes the restrictions of gender and sexuality that limit their texts claims to universal truth and moves beyond them to explore the possibilities of a queer social philosophy At the same time Halle s culturally and historically grounded critiques expand queer theory beyond the American academy for **Queer Social Philosophy** contribution to contemporary debates about sexuality civil society and political activism **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Just Between Us** Guillermo Nu- ez Noriega,2014-05-15 **Just Between Us** set in the context of Mexico s cultural codes challenges norms in thinking about men s identities their pleasures and their sense of belonging Author Guillermo N u nez Noriega offers a groundbreaking study that contests patriarchal concepts limiting male relationships and masculinity Provided by publisher **Being Gay, Being Christian** Stuart Edser,2012-01-18 Is it possible to be both gay and Christian This book explains calmly and logically that the two are not mutually exclusive With the support of some of the finest scientific and theological minds Dr Stuart Edser presents a compelling case for tolerance and acceptance rejecting the traditional Christian view that gay people are either sick or sinful as a result of their sexual orientation While shrill voices of prejudiced fundamentalism are raised from all sides of the Christian church he invites the reader to a new experience of God Dr Edser is uniquely qualified to explain the biology psychology and sociology of being gay as well as to examine the Bible its interpretation and traditional Christian teaching on sexual morality Not only does he have a wealth of experience grounded in the Church both Catholic and Protestant but he is also a psychologist author and researcher Moreover he threads his own extraordinary story through the text using this and his experience as a clinician to guide his thinking In particular he offers a positive and rational voice so often glaringly absent from the Church s utterances on homosexuality He argues passionately for church people everywhere to open their minds and show a willingness to discard older ways of thinking where more modern explanations reveal the truth more accurately And he encourages gay Christians to integrate their sexuality and their faith so that both are valued equally **BEING GAY BEING CHRISTIAN** is a call for reformation within the Christian church an appeal to modernity in our approach to knowledge and a practical self help book for people who are struggling with their

sexuality so they can find both self esteem and a connection with God It will be of particular interest to People confused about their sexuality Young gay people Gay people who go to church Christian families and friends of gay people Clergy and church workers **Allah Made Us** Rudolf Pell Gaudio,2011-09-13 A rich and engrossing account of sexual outlaws in the Hausa speaking region of northern Nigeria where Islamic law requires strict separation of the sexes and different rules of behavior for women and men in virtually every facet of life The first ethnographic study of sexual minorities in Africa and one of very few works on sexual minorities in the Islamic world Engagingly written combining innovative ethnographic narrative with analyses of sociolinguistic transcripts historical texts and popular media including video film newspapers and song poetry Analyzes the social experiences and expressive culture of yan daudu feminine men in Nigerian Hausaland in relation to local national and global debates over gender and sexuality at the turn of the twenty first century Winner of the 2009 Ruth Benedict Prize in the category of Outstanding Monograph
