Joel L. Schiff

The Cloud Garden A True Story Of Adventure Survival And Extreme Horticulture:

The Cloud Garden Tom Hart Dyke, Paul Winder, 2011-07 The Darien Gap is a place of legend The only break in the Pan American highway which runs from Alaska to the tip of South America it is an almost impregnable strip of swamp jungle and cloud forest between the vast landmasses of North and South America Stories of abduction and murder there are rife and in recent years more people have successfully climbed Everest or trekked to the South Pole than have crossed the Darien Gap In 2000 Tom Hart Dyke a young botanist set off to Central America with one thing on his mind orchids He knew that in order to find the rare and beautiful species he so fervently admired he would have to visit some of the most inhospitable places on earth Unbeknown to Tom another young explorer Paul Winder was backpacking through the area at the same time Though he sometimes worked freelance in the City of London Paul was a fearless and intrepid traveller happier scaling volcanoes than lounging on beaches In every bar and cafe along his route rumours abounded of the Darien Gap and the more he heard the greater became his desire to make the journey Pure chance brought Paul and Tom together in northern Mexico they formed an instant bond

Colombia Sarah Woods, Richard McColl, 2015-09-01 This guide to Colombia reflects the resurgence of the country among travellers following years of lawlessness With a strong focus on the country's cultural attractions it will appeal to visitors seeking to discover Colombia's renowned flora and fauna as well as its historic colonial cities and its range of eco tourism initiatives

readers will enjoy browsing **A Search for a Son** Brian Winder,2021-08-31 This is an account of a father s attempts to discover what has happened to his son who disappeared in the Darien Gap Jungle in Panama in Central America Just how do you go about finding out what has happened to someone six thousand miles away in a Spanish speaking country At the start the father did not know for definite where how his son had disappeared if he had had a companion or who that companion was or if he had had a guide The significant thing is that the search became a family affair without divorce but then other people became involved some complete strangers very generous and helpful a genuine crook and two largely incompetent detective agencies After 9 months it was resolved free of any ransom demand probably by direct contact with the guerrilla group FARC itself When the two adventurers were released the parents Brian and Anne Winder heard of ransom demands of 2 000 000 each which never reached them and many situations where the two adventurers could easily have died and their fate never be known Brian Winder is a family man with three grown up sons and a long suffering wife who is a French teacher He was born and educated with degrees in Classics and Philosophy with the Jesuits in Ireland In his 20s he travelled in North Africa and most countries in Europe and most interestingly in Russia when it opened its borders He taught in a secondary school in Zambia and also worked in the copper mines in Zambia for 11 years and in London after he specialised in computers and as an accountant After retirement he devoted himself full time over 25 years to volunteering with many roles in charities serving the homeless and addicts His favourite hobby is country dancing *Joyce in the Belly of the Big Truck; Workbook* Joyce A. Cascio,2005-05 **Rare and Exotic Orchids** Joel L. Schiff,2017-12-08 Comprising some 28 000 different species orchids are by far the largest flowering plant family on Earth Every year new species are being uncovered in the wild or created by humans and so this number has only continued to blossom This book is intended for those who wish to learn about the multifaceted nature of this amazing plant It covers many different aspects of orchid study from its cultural history to its evolutionary development and from its first discoveries to ongoing scientific research No matter your specialty or level of orchid expertise you can find in this book new and fascinating facts and stories that will make you gasp laugh and read on Through the many exotic and beautiful pictures permeating these pages you will come to know something of the infinite diversity of this plant family and at last learn why so many orchid growers and fanatics have embarked on this same endless path I was smitten with this book after reading the very first chapter on the history of Orchids There are plenty of interesting facts to charm your orchid friends and impress even the most studied researcher All in all a fabulous read that is well illustrated and with a reference section the likes of which I have never seen before with its vast and varied appendices on a slew of subjects If you are looking for a book that is engaging and educational with lots of good humor thrown in then this book is for you I know that I will treasure my copy for years to come Laura Newton American Orchid Society Awards Registrar and Accredited Judge ORCHIDS Magazine May 2018 Joel L Schiff brings to life not just the science surrounding orchids but the human process of recognizing cataloging and appreciating them It s this approach combined with lovely close

up color photos throughout which makes *Rare and Exotic Orchids* a recommendation not just for professionals or botany libraries but for general interest readers who will enjoy a highly accessible study that invites an in depth interest in orchids and their importance to human affairs Diane Donovan s Pick of the Month April 2018 *Moon Panama* William Friar,2013-04-02 Writer and Panama native William Friar offers unique tips for visiting this up and coming destination from lounging in the Caribbean islands of Bocas del Toro to hiking the highlands of Boquete and exploring Panama City Friar uses his local knowledge to craft unique trip strategies such as The 14 day Outdoor Adventure and Six Days for History Buffs Complete with details for navigating jungle trails finding cheap taxis and underground bars and planning a river expedition *Moon Panama* gives travelers the tools they need to create a more personal and memorable experience *Adventist Review* ,2003 *People's War* Thomas A Marks,Paul Rich,2019-12-18 Far from being an anachronism much less a kit bag of techniques people s war raises what has always been present in military history irregular warfare and fuses it symbiotically with what has likewise always been present politically rebellion and the effort to seize power The result is a strategic approach for waging revolutionary warfare the effort to make a revolution Voluntarism is wedded to the exploitation of structural contradiction through the building of a new world to challenge the existing world through formation of a counterstate within the state in order ultimately to destroy and supplant the latter This is a process of far greater moment than implied by the label guerrilla warfare so often applied to what Mao and others were about This volume deals with the continuing importance of Maoist and post Maoist concepts of people s war Drawing on a range of examples that include Peru Colombia Bolivia the Caucasus and Afghanistan the collection shows that the study of people s war is not just an historical curiosity but vital to the understanding of contemporary insurgent and terrorist movements The chapters in this book were originally published as a special issue of *Small Wars Insurgencies*
