The Clue Of Ariadne And Other Tales:

The Clue of Ariadne W. B. Wallace, 1895 **The Author** , 1896 *The Tale Book*. [By Various Authors.] First (second) Series, Etc , 1834 **The Athenaeum** , 1896 **The Spirit of the English Magazines** , 1896 **The Spectator** , 1896 A weekly review of politics literature theology and art *Memoirs Relating to European and Asiatic Turkey and Other Countries of the East; Edited from Manuscript Journals...* [With] Robert Walpole, 1820 *Proximity and Epidata* Laurie J. Bonnici, Brian C. O'Connor, 2022-10-25 This book provides a new model to explore discoverability and enhance the meaning of information The authors have coined the term epidata which includes items and circumstances that impact the expression of the data in a document but are not part of the ordinary process of retrieval systems Epidata affords pathways and points to details that cast light on proximities that might otherwise go unknown In addition epidata are clues to mis and dis information discernment There are many ways to find needed information however finding the most useable information is not an easy task The book explores the uses of proximity and the concept of epidata that increases the probability of finding functional information The authors sketch a constellation of proximities present examples of attempts to accomplish proximity and provoke a discussion of the role of proximity in the field In addition the authors suggest that proximity is a thread between retrieval constructs based on known topics predictable relations and types of information seeking that lie outside constructs such as browsing stumbling encountering detective work art making and translation **The British Museum Catalogue of Printed Books, 1881-1900. Supplement, 1900-1905** British Museum. Department of Printed Books, 1950 **Ariadne's Thread** Laura Perry, 2013-08-30 The myths of ancient Crete her people and their gods twine through our minds like the snakes around the priestess s arms in those ancient temples They call to us across the millennia asking us to remember In answer to that call Ariadne s Thread provides a window into the spirituality culture and daily life of the Minoan people and commemorates the richness of a world in which women and men worked and worshiped as equals In these pages the glory of Crete once again springs to life the history the culture and most of all the intense spirituality of these fascinating people and their gods can inspire and transform our modern ways of thinking worshiping and being The ruined temples and mansions of ancient Crete may crumble along the coastline of this tiny island but Ariadne s thread still leads us into the labyrinth and safely back out again
