

FOUNDED IN 1969

FRONT RANGE COMMUNITY COLLEGE, the largest community college in Colorado, has over 80,000 students. In a 2007 survey for a FRCC learning initiative, 92 percent of FRCC students said they would recommend us to others. FRCC enrolls more than 31,000 students annually at four sites and online for career/technical programs and guaranteed-transfer degrees. More than 5,000 people working in northern Colorado are trained every year through the Institute for Community and Professional Development. Thousands of others take advantage of continuing education classes.

PRESIDENT: Andrew Diney

When Andy Diney became FRCC's seventh president on July 1, 2009, it was another step in his 16-year journey of service to the college and its communities. Most recently vice president of the Westminster Campus/North Metro Area and college-wide chief academic officer, Diney has built a solid foundation for his duties as president. Diney joined FRCC in 1993 as an instructor, teaching psychology and economics. He earned a Bachelor of Arts (major was leader in economics) and a Master of Business Administration from Harvard University in Cambridge, Mass. He also earned a Master of Arts in counseling psychology from Loyola College in Denver.

POINTS OF PRIDE:

- We focus on student success.
- FRCC is the lead college in a Colorado consortium that was awarded a \$23 million grant from the U.S. Department of Labor to develop a pipeline of skilled manufacturing workers. FRCC's portion of the grant – about \$10 million – will be used for three projects: (1) to develop a Machining and Advanced Manufacturing Program in a soon-to-be leased facility in Longmont; (2) for some system-wide projects, including improving our credit for prior learning policies; and (3) grant administration. According to the grant, the program will be called CREAMP – Colorado Highways Advanced Manufacturing Program.
- A total of 1,466 associate degrees and 1,722 certificates were awarded in AY 2012-13.
- In the past three years, five students have been awarded prestigious Jack Kent Cooke Foundation Undergraduate Transfer Scholarships, worth as much as \$10,000 per year, to complete a bachelor's degree.
- The Boulder County Campus has garnered an international reputation for medalism activity. Three medalisms are like sculptures you can hold in your hand. Last art faculty Camille Rydell and her students have had medalisms accepted for exhibition in the world art medal Congress for several years running, the most recent in Glasgow, Scotland.
- A total of 1,549 FRCC students successfully transferred to a Colorado four-year school in 2013, the latest reporting year. FRCC accounted for 25.7 percent of all CCN transfer to four-year institutions.
- The pass rate for 2012 on the NCEES Registered Nurse exam was 98.63 percent (Larimer Campus), and 97.59 percent (Westminster Campus).
- The first graduating class in Green Energy Technology produced 20 degrees and 14 certificates. The program was developed in collaboration with 17 northern Colorado industries.
- Counseling from the Small Business Development Center resulted in 44 new businesses, 211 new jobs, 149 retained jobs, \$45.5 million in local investments, and \$3.1 million in increased sales, and \$3.7 million in increased contracts.
- Gateway to College, the dropout retrieval program at the Westminster Campus, also focuses on student success. The program has graduated 129 students.
- Staff of Academics Year 2011 graduates are pursuing further education, a graduate survey finds.
- A total of 463 high school students from the Poudre and Thompson school districts completed year-long career/technical programs at the Larimer Campus, with nearly all percent taking advantage of concurrent enrollment.

The College President Frcc Series Volume 1 Introduction

In today's digital age, the availability of The College President Frcc Series Volume 1 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The College President Frcc Series Volume 1 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The College President Frcc Series Volume 1 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The College President Frcc Series Volume 1 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The College President Frcc Series Volume 1 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The College President Frcc Series Volume 1 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The College President Frcc Series Volume 1 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The College President Frcc Series Volume 1 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The College President Frcc Series Volume 1 books and manuals for download and embark on your journey of knowledge?
