The Butterfly Scream Tragedy Of An American Family:

Romance and the Yellow Peril Gina Marchetti,1994-02-15 Hollywood films about Asians and interracial sexuality are the focus of Gina Marchetti s provocative new work While miscegenation might seem an unlikely theme for Hollywood Marchetti shows how fantasy dramas of interracial rape lynching tragic love and model marriage are powerfully evident in American cinema The author begins with a discussion of D W Griffith s Broken Blossoms then considers later films such as Shanghai Express Madame Butterfly and the recurring geisha movies She also includes some fascinating forgotten films that have been overlooked by critics until now Marchetti brings the theoretical perspective of recent writing on race ethnicity and gender to her analyses of film and television and argues persuasively that these media help to perpetuate social and racial inequality in America Noting how social norms and taboos have been simultaneously set and broken by Hollywood filmmakers she discusses the orientalist tensions underlying the construction of American cultural identity Her book will be certain to interest readers in film Asian women s and cultural studies *Celebrity Register* ,1960 **The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States** American Film Institute,1997 Back in print after more than fifteen years this American Film Institute Catalog covers the decade of the sixties This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light Included in this volume are The Wild Bunch Bonnie and Clyde Guess Who s Coming to Dinner and Who s Afraid of Virginia Woolf The decade also produced such all time classics as The Sound of Music To Kill a Mockingbird and The Graduate **International Celebrity Register** Cleveland Amory,1959 The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Meth Vs. Death* Stormy Rainey,2018-04-05 The true story of my addiction to cocaine and meth and the control it had over my life for over ten years Beginning at the age of three when my brother dies in a car accident to my first incarceration and beyond It is gritty and brutally honest and sometimes uncomfortable to read Discover the events that lead me away from a promising career in football college to a prison cell I care for nothing including my mortality I willingly risk losing the respect of family and friends to take and supply drugs During all of this I had a child and even that didn t change my ways This story will enlighten you on the mindset of an addict and the control addiction has over you **The Bedtrick** Wendy Doniger,2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure

of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover
