The Call To Lead Following Jesus And Living Out Your Mission:

The Call to Lead Bill Hybels, John Ortberg, Dan B. Allender, 2012-04-07 Using stories from their own lives and ministries Bill Hybels John Ortberg and Dan Allender illustrate how the laws of leadership sometimes crash head on into the demands of discipleship and how the decisions you make at these crossroads could affect not only you but the destiny of those you lead

The Call to Lead Bill Hybels, John Ortberg, Dan B. Allender, PLLC, 2017-02-07 Modern business practice and scholarship have honed the laws of the leadership To achieve success you re supposed to among other things leverage your time choose a strong team and avoid unnecessary controversy But what do you do when the laws of leadership collide with the teachings of Christ What would it mean to reveal your true character to those you lead What would it take for you to take an honest look at yourself and ask Am I leading from my mission or my shadow mission Using stories from their own lives and ministries Bill Hybels John Ortberg and Dan Allender illustrate how the laws of leadership sometimes crash head on into the demands of discipleship and how the decisions you make at these crossroads could affect not only you but the destiny of those you lead The Call to Lead include the previous releases from the Leadership Library series When Leadership and Discipleship Collide by Bill Hybels Overcoming Your Shadow Mission by John Ortberg and Leading Character from Dan Allender *Developing Christian Leadership* Trevor R. Summerlin, 2023-02-14 This book draws on Trevor s experience in both Christian and secular organisations to look at different patterns for leadership and he explains the necessity for every leader to model a clear strategy for their work He outlines 8 different philosophical approaches he identifies 14 potentially destructive attitudes that should be avoided he highlights 10 major qualities by which every leader should seek to measure themselves and he includes a massive resource in his bibliography The book is essential reading for every person in any leadership role whether in business industry education or commerce for every church leader for every leader in a charity or voluntary organisation for every person contemplating a position of leadership and for every person who is following someone else s leading Trevor explains that every organisation would benefit from appointing leaders who accept and understand how to apply these key principles of Christian Leadership *I'd Like You More If You Were More like Me* John Ortberg, 2017-10-03 I d Like You More If You Were More like Me takes on one of life s most important questions How can I get closer to God and other people We were created for deep connections When people have deep connections says John Ortberg they win in life When they don t have deep connections they cannot win in life I d Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections the fact that we re so different Different from God and different from each other The good news is that connectedness is not based on similarity but on shared experiences When one person invites another to share an experience they re connected It can be sharing a beautiful sunset or a meal having a great conversation over cup of coffee going for walk or even teasing somebody And when we share those same experiences with God we get closer to him too God wants to connect with us so much that he sent his son to live as a human being God took on flesh and

shared every human experience So we don't have to wonder what a close relationship with God looks like anymore An intimate relationship with God and other people doesn't have to be a cliché it can be a daily way of life

A Bold New Foundation for Christianity Charles R. Bond, 2016-06-24 MODERN EVENTS CHALLENGE RELIGIOUS WORLD UNDERSTANDINGS Mr Bond as a scientist outside the religious establishment and not subject to its conforming pressures dares to address today's several internet collections of supernatural experiences His startling conclusion is that a transcendent God has been working in our world However he begins the book by addressing traditional Christians unfounded beliefs in many literal Bible understandings declared as timeless truths as derived from oral histories allegorical writing styles and beliefs in the Old Testament God The liberal church is observed as working to constructively de-mythologize many such traditional beliefs but only responding with various new understandings and beliefs in the God Jesus called his metaphorical father Two modern internet sites are shown as revealing a transcendent God making supernatural mind interventions in deathbed visions near death experiences and God originated personal directives By analyzing the many reported directive experiences Mr Bond believes such God initiated mind interventions are also found in several important New Testament stories Thus long regarded as mythological like many others these stories instead establish God was actually intervening in the life of Jesus and later many of his apostles in what can be called the beginning of Christianity The author's understandings thus provide a distinctive new foundation for the Christian religion that displace the few specific mythological beliefs now forming the foundation of traditional Christianity The author thus leads to belief in a supernatural God a Jesus even more firmly understood as inspired directly by God and a God still working with mind interventions in individual lives and deaths This Christianity thus is conceived with a distinctive new God centered foundation derived from analysis of real world experiences that should inspire modern minds in supporting Christianity A CELESTIAL GOD IS RECOGNIZED AS WORKING IN OUR WORLD
