The Case Of Sherlock Holmes:

The Case Book of Sherlock Holmes Arthur Conan Doyle, 1927 **The Casebook of Sherlock Holmes and His Last Bow** Sir Arthur Conan Doyle, Arthur Conan Doyle, 1995-09-06 These two fascinating sets of stories *The Casebook of Sherlock Holmes* and *His Last Bow* make a glorious farewell to the greatest detective of them all and his erstwhile companion Dr Watson **Case of Sherlock Holmes** Andrew Glazzard, 2018-08-13 The Case of Sherlock Holmes uncovers what is untold partly told wrongly told or deliberately concealed in Arthur Conan Doyle's Sherlock Holmes saga [The Case Book of Sherlock Holmes](#) Sir Arthur Conan Doyle, 1993-01-01 I fear that Mr Sherlock Holmes may become like one of those popular tenors who having outlived their time are still tempted to make repeated farewell bows to their indulgent audiences This must cease and he must go the way of all flesh material or imaginary One likes to think that there is some fantastic limbo for the children of imagination some strange impossible place where the beaux of Fielding may still make love to the belles of Richardson where Scott's heroes still may strut Dickens's delightful Cockneys still raise a laugh and Thackeray's worldlings continue to carry on their reprehensible careers Perhaps in some humble corner of such a Valhalla Sherlock and his Watson may for a time find a place while some more astute sleuth with some even less astute comrade may fill the stage which they have vacated His career has been a long one though it is possible to exaggerate it decrepit gentlemen who approach me and declare that his adventures formed the reading of their boyhood do not meet the response from me which they seem to expect One is not anxious to have one's personal dates handled so unkindly As a matter of cold fact Holmes made his debut in *A Study in Scarlet* and in *The Sign of Four* two small booklets which appeared between 1887 and 1889 It was in 1891 that *A Scandal in Bohemia* the first of the long series of short stories appeared in *The Strand Magazine* The public seemed appreciative and desirous of more so that from that date thirty nine years ago they have been produced in a broken series which now contains no fewer than fifty six stories republished in *The Adventures* *The Memoirs* *The Return* and *His Last Bow* and there remain these twelve published during the last few years which are here produced under the title of *The Case Book of Sherlock Holmes* He began his adventures in the very heart of the later Victorian era carried it through the all too short reign of Edward and has managed to hold his own little niche even in these feverish days Thus it would be true to say that those who first read of him as young men have lived to see their own grown up children following the same adventures in the same magazine It is a striking example of the patience and loyalty of the British public I had fully determined at the conclusion of *The Memoirs* to bring Holmes to an end as I felt that my literary energies should not be directed too much into one channel That pale clear cut face and loose limbed figure were taking up an undue share of my imagination I did the deed but fortunately no coroner had pronounced upon the remains and so after a long interval it was not difficult for me to respond to the flattering demand and to explain my rash act away I have never regretted it for I have not in actual practice found that these lighter sketches have prevented me from exploring and finding my limitations in such varied branches of

literature as history poetry historical novels psychic research and the drama Had Holmes never existed I could not have done more though he may perhaps have stood a little in the way of the recognition of my more serious literary work **The Case Notes of Sherlock Holmes** Arthur Conan Doyle,2020-05-12 Fans of Sherlock Holmes can revisit the great detective s most famous cases as compiled by Dr John Watson of course in this portable bind up of The Case Files of Sherlock Holmes and The Return of Sherlock Holmes Delve deeper into the world of Sherlock Holmes The Case Notes of Sherlock Holmes contains the files on which Watson based his later more elaborate accounts of Holmes s investigations Inside this scrapbook you ll find letters sketches newspaper articles and other documents sometimes mentioned in the more familiar forms of these stories but often neglected They include Watson s sketches of the paw prints discovered near Sir Charles Baskerville s body Holmes s drawings and notes of the Dancing Men and Sherlock Holmes s heartrending letter to Watson before his violent struggle with Moriarty in The Final Problem Painstakingly researched beautifully designed and packaged and rich in period detail this book brings 221B Baker Street vividly to life *The Case-Book of Sherlock Holmes Annotated* Arthur Conan Doyle,2020-09-06 The Case Book of Sherlock Holmes is the final set of twelve Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927 *The Case-Book of Sherlock Holmes* Arthur Conan Doyle,2023-11-09 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **The Case-Book of Sherlock Holmes (Annotated)** Sir Arthur Conan Doyle,2021-05-02 The Case Book of Sherlock Holmes is the final set of twelve out of a total of fifty six Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927 *The Case-Book of Sherlock Holmes* Sir Arthur Conan Doyle,2021-03-29 The Case Book of Sherlock Holmes is the final set of twelve Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927 **Sherlock Holmes and the Case of the Hound of the Baskervilles** A.
