The Case Of The Yearbook Murders:

The Case of the Yearbook Murders Rod Sterling, 2015-06-15 It's 1956 and somebody is killing off the high school baseball players from the class of '35 of one New Jersey High School The police are treating these deaths as unrelated In the space of a few months one after another of these former ballplayers not yet forty years old are found dead Private detective Tony Donohoo deciphers a coded message in the yearbooks leading to secret romances and murder Tony and his sarcastic but beautiful red haired girl friend Mindy McCall follow the clues Victorian Yearbook, 1876 The Spectator Insurance Yearbook, 1894 Murder Scenes Saxe Elder, 2010-07 Examining the social effects of criminal investigation in Weimar era Berlin **Murder Cases of the Twentieth Century** David K. Frasier, 2024-10-14 From Jack Henry Abbott who stabbed a waiter through the heart for not allowing him to use the toilet to the Zodiac an unknown California serial killer who may have murdered as many as 37 people this reference work details 280 of the most famous murder cases of the twentieth century Each entry contains when applicable birth and death dates aliases occupation location of the murders weapons used number of victims and the time period when the killings occurred Films plays television shows videos and audio programs based on or inspired by the case are then cited followed by a brief overview of the murder case and a bibliography of English language works related to it **Decisions and Reports** European Commission of Human Rights, Council of Europe, 1988-01-01 In English and French **The Spectacle of Murder: Fact, Fiction and Folk Tales** Nermin Ahmed Haikal, Morag Kennedy, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2016 Nothing is more permanent than murder Century long myths have persistently continued adapting to cultural and social changes As early as the seventeenth century novels have been created surrounding the phenomenon of murder due to those in the Victorian era relishing in the gory details of those unfortunate souls Murder makes a good story it sells newspapers books and video games Society immerses itself in the mysterious compulsions of the unhinged mind Like birds we flock to murder sites desperately trying to grasp at the victims last wish or for a chance to step into the killer's shoes However murder no longer hides in plain sight its sadistic menace has corrupted our hard drives Teenagers and adults alike enjoy playing Grand Theft Auto and Call of Duty killing avatars at will The line between reality and virtual reality blurs **Introductory Sociology and Anthropology' 2001 Ed.**, 2002 *The Death Penalty* Roger Hood, Carolyn Hoyle, 2008 This new edition of a classic study assesses the global status of capital punishment As in previous editions this work draws on Roger Hood's experiences as consultant to the United Nations for the Secretary General's five yearly surveys of capital punishment as well as the latest literature from non governmental organizations and academic experts This edition examines significant developments around the world including the Chinese plan for the People's Supreme Court to review all death sentences and the abolition in the USA of the death penalty for offenders who committed murder while under the age of 18 Recent legal challenges to lethal injection as a form of execution are also examined This edition also includes an additional chapter on the role and influence of victims

families and victim interest movements This volume shows how despite a number of set backs the movement to abolish the death penalty has continued to gather pace that international organizations and human rights treaties continue to put pressure on retentionist countries that further developments have been made in securing protection for those facing the death penalty in retentionist countries and that despite such advances in some parts of the world the range of crimes subject to the death penalty remains wide and the number of executions considerable This work engages with the latest debates on the realities of capital punishment with claims that the death penalty is a unique deterrent to murder and other serious crimes and contains expanded coverage of arguments about the role of public opinion in the debate on capital punishment

A Lowcountry Murder Daniel Bailey, 2007-08 A troubling high profile case leads Atlanta homicide chief of detectives Jed Bradley into a forced retirement prompting his return to his childhood home amid the moss draped live oaks and tidewater canals of South Carolina s pristine lowcountry in this tightly crafted suspenseful mystery Soon Bradley is reluctantly lured into investigating local murders involving hoodoo ritualism similarities to his brother s murder thirty years ago and a possible connection with a childhood sweetheart The hot swampy lowcountry provides a diverse unique setting for a story contrasting violence with humor and taut with complex realistic racial tension between characters who have known one another and worked together for years
