A Chance to Learn the Secrets of the Ancients Richard H. Wildey, 2013-10 It was Shirley She was completely pale her face a blank mask She was sitting down in the chair behind my desk at the windows and didn t look at me when I came in from the massage room I looked at her for a moment then quietly asked Shirley please tell me what s going on After three or four seconds of no response I was going to say something else

when Shirley slowly looked up She didn't say anything but just looked at me As I looked at her I wasn't sure what to make of the look on her face Shirley's mouth opened but nothing came out of it at first Then she said We are under attack from aliens After a moment I asked Like from outer space aliens Shirley She nodded I listened quietly and didn't hear any explosions or sirens Beside Shirley on the small desk was a radio I stepped over and turned it on Shirley had heard correctly First time author Richard H Wildey is a massage therapist and energy practitioner in Charleston West Virginia He is the head manager and missionary of The Triumph Church and is immersed in writing his second novel Publisher's website <http://sbpra.com>
