The Chicagoan A Lost Magazine Of The Jazz Age

Matthew Coniam

The Chicagoan A Lost Magazine Of The Jazz Age:

The Chicagoan Neil Harris, 2008 While browsing the stacks of the Regenstein Library at the University of Chicago some years ago noted historian Neil Harris made a surprising discovery a group of nine plainly bound volumes whose unassuming spines bore the name The Chicagoan Here Harris brings this lost magazine of the Jazz Age back to life Harris s substantial introductory essay here sets the stage exploring the ambitions tastes and prejudices of Chicagoans during the 1920s and 30s The author then lets the Chicagoan speak for itself in lavish full color segments that reproduce its many elements from covers cartoons and editorials to reviews features and even one issue reprinted in its entirety Recalling a vivid moment in the life of the Windy City the Chicagoan is a forgotten treasure offered here for a whole new age to enjoy **BOOK JACKET** *Jazz Age Chicago: Crucible of Modern America* Joseph Gustaitis, 2022 When people imagine 1920s Chicago they usually and justifiably think of Al Capone speakeasies gang wars flappers and flivvers Yet this narrative overlooks the crucial role the Windy City played in the modernization of America The city s incredible ethnic variety and massive building boom gave it unparalleled creative space as design trends from Art Deco skyscrapers to streamlined household appliances reflected Chicago s unmistakable style The emergence of mass media in the 1920s helped make professional sports a national obsession even as Chicago radio stations were inventing the sitcom and the soap opera Join Joseph Gustaitis as he chases the beat of America s Jazz Age back to its jazz capital Page 4 of cover **Street Fight** Anne Morrissy, 2024-03-05 Bricks and bottles of acid through the windshield Bullets shot from the running boards of racing cabs passengers screaming in the backseat Bombs exploding in garages beneath parked cars on the front porches of jurors homes Accusations of favoritism and collusion with city leaders and law enforcement bribery and extortion and grand jury investigations Mysterious accidents and brutal attacks and devastating fires leaving a trail of widows in their wake These were Chicago s Taxi Wars a violent and deadly battle for supremacy of the city s new and lucrative taxi industry during the Jazz Age In 1915 at the dawn of the automobile era visionary car salesman John D Hertz better remembered today for his successful foray into rental cars and his partner Walden W Shaw founded Chicago s Yellow Cab Company This wildly successful venture would go on to inform and inspire the modern taxi industry as we know it today in Chicago and throughout the United States But as the Roaring Twenties glamorized lawlessness on the city s streets Yellow Cab s meteoric rise invited increasingly aggressive competitors Cab drivers battled each other in the streets over fares allegiances and turf claims their skirmishes escalating from sophomoric pranks to cold blooded murder mass shootings and acts of domestic terrorism In the 1920s one rival in particular ascended to pose a threat to Yellow Cab s dominance the Checker Taxi Company Behind the scenes pulling the strings at Checker was Morris Markin who was desperate to expand his influence even as Chicago s gangsters attempted to wrest his control away Working from extensive research and interviews with descendants and experts author Anne Morrissy vividly recreates Chicago s Taxi Wars bringing to print for the first time this deeply compelling but nearly forgotten story Buffeted

by a supporting cast of colorful combatants and larger than life Jazz Age characters including Johnny Torrio Al Capone Joe Kennedy Gene Tunney Jack Dempsey and Chicago mayor William Hale Big Bill Thompson Street Fight The Chicago Taxi Wars of the 1920s restores to history these deadly wars that played out on the city's streets a century ago endangering the lives of passengers and passersby while at the same time forming the regulatory foundation that still governs cab limo and rideshare transportation in the 21st century

Art Deco Chicago Robert Bruegmann, 2018-10-02 An expansive take on American Art Deco that explores Chicago's pivotal role in developing the architecture graphic design and product design that came to define middle class style in the twentieth century Frank Lloyd Wright's lost Midway Gardens the iconic Sunbeam Mixmaster and Marshall Field's famed window displays despite the differences in scale and medium each belongs to the broad current of an Art Deco style that developed in Chicago in the first half of the twentieth century This ambitious overview of the city's architectural product industrial and graphic design between 1910 and 1950 offers a fresh perspective on a style that would come to represent the dominant mode of modernism for the American middle class Lavishly illustrated with 325 images the book narrates Art Deco's evolution in 101 key works carefully curated and chronologically organized to tell the story of not just a style but a set of sensibilities Critical essays from leading figures in the field discuss the ways in which Art Deco created an entire visual universe that extended to architecture advertising household objects clothing and even food design Through this comprehensive approach to one of the 20th century's most pervasive modes of expression in America Art Deco Chicago provides an essential overview of both this influential style and the metropolis that came to embody it

Glenview Prohibition: Bootleggers & Boondoggies Jill Ruschli Crane, 2022-09 Prohibition Glenview made many people rich some angry some sad and some dead Today Glenview is one of the safest places to live in Illinois but during Prohibition speakeasies saloons and ice cream parlors hijacked the small farming town Good men and women trying make a few bucks opened scores of taprooms and lounges along Waukegan Road Beloved institutions like Hackney's restaurants Meier's Tavern and Grandpa's Place were originally supplied by a bootlegging operation that was both local and friendly Then the Chicago Outfit moved in Author Jill Crane traces the path the resilient citizens of Glenview took in carving a thriving community out of the tumult of Prohibition

Newsprint Metropolis Julia Guarneri, 2020-11-25 At the close of the nineteenth century new printing and paper technologies fueled an expansion of the newspaper business Newspapers soon saturated the United States especially its cities which were often home to more than a dozen dailies apiece Using New York Philadelphia Milwaukee and Chicago as case studies Julia Guarneri shows how city papers became active agents in creating metropolitan spaces and distinctive urban cultures Newsprint Metropolis offers a vivid tour of these papers from the front to the back pages Paying attention to much loved features including comic strips sports pages advice columns and Sunday magazines she tells the linked histories of newspapers and of the cities they served Guarneri shows how themed sections for women businessmen sports fans and suburbanites illustrated entire ways of life built around consumer products But while

papers provided a guide to individual upward mobility they also fostered a climate of civic concern and responsibility Charity campaigns and metropolitan sections painted portraits of distinctive cohesive urban communities Real estate sections and classified ads boosted the profile of the suburbs expanding metropolitan areas while maintaining cities roles as economic and information hubs All the while editors were drawing in new reading audiences women immigrants and working class readers helping to give rise to the diverse contentious and commercial public sphere of the twentieth century Publisher s description

MOVIES ARE A CONSPIRACY Selected Essays on Cinema Matthew Coniam,2019-03-12 Matthew Coniam author of The Annotated Marx Brothers and Egyptomania Goes To The Movies would dearly love to dedicate his energies to the higher things in life But alas cinephilia infected him at a young age and as yet there is no cure In this collection of essays on movies and moviemakers culled from several years worth of blog posts magazine articles and book chapters he shares some of the symptoms in the hope of spreading it further **British Models of Art Collecting and the American Response** Dr Inge Reist,2014-10-28 This collection of fourteen essays by distinguished art and cultural historians examine points of similarity and difference in British and American art collecting Half the essays examine the trends that dominated the British art collecting scene of the nineteenth century Others focus on American collectors using biographical sketches and case studies to demonstrate how collectors in the United States embellished the British model to develop their own often philanthropic approach to art collecting The Annotated Marx Brothers Matthew Coniam,2015-02-19 Have you ever watched a Marx Brothers film and wondered what habeas Irish rose is What is the trial of Mary Dugan with sound What is a college widow When exactly did Don Ameche invent the telephone Their films are full of such in jokes and obscure theatrical literary and topical references that can baffle modern audiences In this viewer s guide to the Marx Brothers you will find the answer to such mysteries along with an exhaustive compilation of background information obscure trivia and even the occasional busted myth Each of the Marx Brothers 13 films is covered by a running commentary with points in the film discussed as they appear Each reference is listed by its running time with time code given for both PAL and NTSC DVD An introduction for neophytes and a resource for fanatics this book is a travel guide to the rambling landscape of these remarkable comedies

Chicago Renaissance Liesl Olson,2017-01-01 A fascinating history of Chicago s innovative and invaluable contributions to American literature and art from the late nineteenth to the mid twentieth century This remarkable cultural history celebrates the great Midwestern city of Chicago for its centrality to the modernist movement Author Liesl Olson traces Chicago s cultural development from the 1893 World s Fair through mid century illuminating how Chicago writers revolutionized literary forms during the first half of the twentieth century a period of sweeping aesthetic transformations all over the world From Harriet Monroe Carl Sandburg and Ernest Hemingway to Richard Wright and Gwendolyn Brooks Olson s enthralling study bridges the gap between two distinct and equally vital Chicago based artistic renaissance moments the primarily white renaissance of the early teens and the creative ferment of Bronzeville Stories of the famous and iconoclastic are interwoven

with accounts of lesser known yet influential figures in Chicago many of whom were women Olson argues for the importance of Chicago's editors bookstore owners tastemakers and ordinary citizens who helped nurture Chicago's unique culture of artistic experimentation Cover art by Lincoln Schatz

Whispering the Secrets of Language: An Emotional Quest through **The Chicagoan A Lost Magazine Of The Jazz Age**

In a digitally-driven earth where displays reign supreme and instant connection drowns out the subtleties of language, the profound techniques and mental nuances hidden within words usually go unheard. Yet, set within the pages of **The Chicagoan A Lost Magazine Of The Jazz Age** a fascinating literary treasure sporting with fresh thoughts, lies a fantastic journey waiting to be undertaken. Composed by an experienced wordsmith, that enchanting opus attracts readers on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within the muscles fabric of each word. Within the psychological depths with this emotional evaluation, we shall embark upon a sincere exploration of the book's core styles, dissect its charming publishing design, and yield to the powerful resonance it evokes deep within the recesses of readers' hearts.
