

The Christian Philosophy Of St Thomas Aquinas

Étienne Gilson

The Christian Philosophy Of St Thomas Aquinas:

The Christian Philosophy of St. Thomas Aquinas Etienne Gilson, 2013-05-01 In this final edition of his classic study of St Thomas Aquinas Etienne Gilson presents the sweeping range and organic unity of Thomistic philosophical thought Gilson demonstrates that Aquinas drew from a wide spectrum of sources in the development of his thought from Aristotle to the Arabic and Jewish philosophers of his time as well as from Christian writers What results is an insightful introduction to the thought of Aquinas and the Scholastic philosophy of the Middle Ages Praise for The Christian Philosophy of St Thomas Aquinas As the only English version of any edition of *Le Thomisme* and therefore for years a kind of manual for North American students approaching Aquinas the book deserves recirculation With it appears the masterful Catalogue of St Thomas works prepared by the Rev I T Eschmann to accompany Shook's translation and available nowhere else Its overview of principles and conclusions in the history of the texts has not been surpassed The Philosophical Quarterly This volume presents L K Shook's English translation of the final version of the late Etienne Gilson's 1884-1978 classic overview of the Christian philosophy of St Thomas Aquinas Gibson was one of the pioneers in the early part of the twentieth century of medieval philosophy in general and the work of Aquinas in particular He sought to restore the study of Aquinas texts an historical sensitivity thus rescuing them from the near canonical status accorded in the well intentioned but inhabiting late nineteenth century palpal revival of Thomistic studies and preserved in the so called manual theology of the seminar curriculum The endnotes are an invaluable resource as is the still unsurpassed catalogue of Aquinas works compiled by Eschmann and included as an invaluable appendix here Theological Book Review
