

“If we find ourselves with a desire that nothing in this world can satisfy, the most probable explanation is that we were made for another world.”

—C. S. Lewis, *Mere Christianity*

The Christian World Of C S Lewis

Alister E. McGrath

The Christian World Of C S Lewis:

The Christian World of C.S. Lewis Clyde S. Kilby,1965 **The Christian World of C. S. Lewis** Clyde S.

Kilby,1995-06 This study provides a perceptive and illuminating guide to C S Lewis s writings Kilby examines Lewis s Christian works one by one compares them with each other and with books by other authors and elucidates the themes that recur throughout the main body of Lewis s writings *C. S. LEWIS PRE-EVANGELISM FOR A POST- CHRISTIAN WORLD* Brian M. Williams,2021-01-23 We find ourselves living today in very much a post Christian world Not only does the culture largely reject Christianity s claims we find that long held basic truths that people have embraced throughout history have been jettisoned the belief in objective morality right and wrong transcend each person s opinions and feelings spiritual reality the world contains more than what we see via our 5 senses that God is real that truth is objective and knowable if something is true my disagreeing with it or finding it unpleasant emotionally doesn t make it false This presents a great difficulty for Christians trying to communicate the Christian message to people today We can take nothing for granted if the message is to make any sense to the hearer We must start with the most basic concepts The question then arises How do we make a start when the bedrock ideas are not only disbelieved but viewed with contempt by so many today C S Lewis thought that he had found a door we could enter to steal past the watchful dragons of the modern person s reason by way of imaginative fiction He sought to re introduce Christian ideas clothed in mythological garb so that in time after their affections had been stirred the explicit message about Christ might be given a fair hearing He engaged both the heart and the head In this way he pre evangelized his audience This book examines the grounds both philosophically and theologically upon which he did that It explores Lewis s view of reality and the human imagination surveying his Chronicles of Narnia and The Space Trilogy in particular to demonstrate precisely how he carried out this strategy We can learn from Lewis here as we show both the beauty and the truthfulness of Christianity to people in a way that meets them where they are *The Christian World of C.S. Lewis* Clyde S. Kelley,1965 *C. S. Lewis and the Christian Worldview* Michael L. Peterson,2020-01-24 C S Lewis is one of the most influential and beloved Christian writers of the past century and interest in him continues to grow as books about his fantasy fiction and biography continue to appear Although Lewis s personal journey was a deeply philosophical search for the most adequate worldview the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview In this book Michael Peterson develops a comprehensive framework for understanding Lewis s Christian worldview from his arguments from reason morality and desire to his ideas about Incarnation Trinity and Atonement **C. S. Lewis and the Christian Worldview** Michael L. Peterson,2020 C S Lewis is one of the most influential and beloved Christian writers of the past century and interest in him continues to grow as books about his fantasy fiction and biography continue to appear Although Lewis s personal journey was a deeply philosophical search for the most adequate worldview the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview In this book

Michael Peterson develops a comprehensive framework for understanding Lewis's Christian worldview from his arguments from reason morality and desire to his ideas about Incarnation Trinity and Atonement All worldviews address fundamental questions about reality knowledge human nature meaning and so forth Peterson therefore examines Lewis's Christian approach to these same questions in interaction with other worldviews Accenting that the intellectual strength and existential relevance of Lewis's works rest on his philosophical acumen as well as his Christian orthodoxy which he famously called mere Christianity Peterson skillfully shows how Lewis's Christian thought engages a variety of important problems raised by believers and nonbelievers alike the problem of evil and suffering the problem of religious diversity the problem of meaning and others Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader

The Intellectual World of C. S. Lewis Alister E. McGrath, 2013-04-12 Marking the 50th anniversary of Lewis death *The Intellectual World of C S Lewis* sees leading Christian thinker Alister McGrath offering a fresh approach to understanding the key themes at the centre of Lewis theological work and intellectual development Brings together a collection of original essays exploring important themes within Lewis work offering new connections and insights into his theology Throws new light on subjects including Lewis intellectual development the uses of images in literature and theology the place of myth in modern thought the role of the imagination in making sense of the world the celebrated argument from desire and Lewis place as an Anglican thinker and a Christian theologian Written by Alister McGrath one of the world's leading Christian thinkers and authors this exceptional pairing of McGrath and Lewis brings together the work of two outstanding theologians in one volume

C.S. Lewis David G. Clark, 2008-04-15 In this engaging book David Clark guides the reader through the theology of CS Lewis and illuminates the use and understanding of scripture in the works of this popular author Examines his life work world view and the implications of his theology in relation to his other writings Looks at Lewis beliefs on the topics of redemption humanity spiritual growth purgatory and resurrection Examines the different perspectives on Lewis and his work as prophet evangelist and as a spiritual mentor Explores the range and influence of Lewis work from the bestselling apologetic *Mere Christianity* to the world famous *Chronicles of Narnia* Features specially commissioned artwork throughout Written in an accessible style for general readers students and scholars and will introduce Lewis theology to a wider audience

The Fiction of C. S. Lewis Kath Filmer, 2016-07-27 This book examines the way in which the fictional writings of C S Lewis reveal much about the man himself and his quest for psychological and spiritual wholeness There is new material dealing with C S Lewis's political writings especially the correspondences between his thriller *That Hideous Strength* and George Orwell's *Nineteen Eighty Four* and some new insights into Lewis's attitudes to women

The Imaginative World of C.S. Lewis Mineko Honda, 2000-03-22 *The Imaginative World of C S Lewis* is a fascinating study of the ideas of one of the most influential Christian authors and advocates of this century In this engaging

work Mineko Honda demonstrates how Lewis participated in objective Reality through the writing of his imaginative stories and fantasies She begins her study with a discussion of Lewis idea of imagination and then considers the style of his apologetic works She goes on to examine Lewis attitudes as an imaginative author focusing on how he relates himself to the world of objective Reality In an analysis of *The Great Divorce* and *Till We Have Faces* Honda explores Lewis notion that human beings can perceive Reality through imagination and ultimately attain it and become a part of it in heaven Full of important insights on Lewis imaginative works this book will appeal to Lewis enthusiasts or anyone seeking reassurance that their lives are meaningfully connected to a higher reality
