The Christmas Chapel:

The Christmas Chapel Barbara Johnson Witcher, 2013-09 Two nights before Christmas the city of New Stockford is so paralyzed by a blizzard that folks can't leave the downtown area to get home Freezing from the icy wetness eight strangers take shelter in the only building that is open an old chapel on DeLancey Street Although the chapel has been closed for two years now Old Ben the caretaker opens it so that stranded people might find warmth and peace in what was once an inspirational setting on a historic now rundown street Once settled in the tired and discouraged people are forced to face their lost lives While each character is unique their problems are universal frustration heartbreak bitterness reluctance indifference unemployment vengefulness and corruption Amid the chapel's stained glass windows depicting Christ's life a nativity set and the tall cross at the altar plus programmed Christmas hymns from the old organ glowing oak paneled walls and comfortable if well worn pews God shocks them by silently speaking to their hearts minds and souls When they leave all but one will have found and become committed to a life changing Christmas miracle And for that one unchanged soul there promises constant battles between good and evil The Living Church ,1943 **The Churchman** ,1886 Heartache on

the Play Stage Ashley Mellinger, 2024-01-23 Seventeen year old Katie Curtis Mellinger has it all without really having anything She has great grades and good extracurriculars maybe her self image could be better but that's being teenager right To Katie being one of the top students in her high school with her future all planned out gives her a sense of security she desperately needs But not everything is what it seems Keeping up her GPA and appearances aren't the hardest parts of being a teenager especially not after her childhood security blanket is ripped from her As she reflects on her past and writes the story of her high school career she must also write the story of her future Her closest friends find themselves facing the same looming dilemma Together Katie and her friends discover love loss life and death This novel offers a reflection of the teenager in all of us considering the roller coaster of growing up the hills and valleys of moving on and the rise and fall of becoming who we're meant to be THE CHURCH HERALD ,1874 **Cumulative List of Organizations Described in**
