The Church and the Single Mom Jennifer Maggio, 2017-01-18 When 19 year old Jennifer Maggio found herself pregnant for the fourth time she was completely lost in a tragedy wrought by years of sexual abuse homelessness and poverty What she didn't know at the time was that she was the main character in a story that God would one day use to inspire encourage and challenge thousands of people just like her and some whose stories were very different from hers From that deep valley Jennifer rose to the summit of Corporate America only to leave it all behind to minister to single moms In *The Church and the Single Mom* Jennifer provides a road map for those who like her look out at the nearly 17 million single moms in the U S alone many of whom are drowning in financial struggles parenting woes and emotional **The Single Mom's Devotional** Carol Floch, 2011-08-25 When Carol Floch realized that her marriage was about to end and that she was about to join the ranks of moms left to raise their children on their own she could not stop crying She mourned her shattered hopes and grieved the loss of the family she had always dreamed of But mostly she cried for her children Into Carol's grief regret and fear God's Spirit came with a message from Psalm 84 Build your nest near my altar and I will be your children's source of security protection provision and blessing In *The Single Mom's Devotional* Carol tells her story and shares with the sisterhood of single moms how they can build their family's nest in the protective shadow of God's presence Single mothers whether on their own after a divorce or a husband's death will discover how to find true life in Christ and allow the strength of that inner life to be the compass by which they navigate an unpredictable future Near God's altar the cross of Christ is where single moms will discover life through relinquishment power through dependence and hope through surrender Anchored at the foot of the cross readers will find daily security and hope as they nourish their souls and nurture their children at a place near God's altar *The Single Mom's Workplace Survival Guide* Brenda Armstrong, 2002 Every Mom is a Working Mom But never before have circumstances forced so many moms to raise their children single handedly which usually includes holding down a paying job in addition to taking care of the home and kids Book jacket

Village to Raise a Single Mother Agaytha B Corbin,2024-05-24 Agaytha took a deep breath as the future of her family lineage sat in the balance as she weighed her options at Good Samaritan Hospital She had been raised with old school Christian values from her parents Ralph and Angelina Corbin Her parents had been blessed with her birth in their old age and they had taken every opportunity give her an advantage especially in her academic endeavors She had taken full advantage of her educational opportunities and was well on her way to a successful career in banking until she fell head over heels in love with her boyfriend She had a child from a previous relationship but her new connection with her hopeful future husband to be seemed to be everything she was looking for at first As time progressed it became apparent that for her fairy tale happily ever after to manifest she would have to put in all the work After a major family loss Agaytha found herself in the hospital her health compromised and her second high risk pregnancy running its course As she laid in her bed reflecting on her life she had time to evaluate the impact her associations had on her village She was a giver and in her life she had poured her love and support into so many dead ends that it seemed at this point she had nothing left In the midst of her inner turmoil she felt at peace with walking away from it all and following the call to be of service to her community *New Start for Single Moms Kit* Diane R.
