Church Awakening Charles R. Swindoll, 2010-09-08 In **THE CHURCH AWAKENING** Charles Swindoll discusses the challenges struggles and priorities of the church in the twenty first century He reveals the problems inherent in the entertainment based postmodern church and shows how a return to biblical teaching will restore its strength and impact Now being replaced by a feel good message instead of what Christians need to know to stand strong in a world that s lost its way Swindoll exposes the problems of and solutions for the postmodern evangelical church Just as he opened readers eyes with his bold statements in *The Grace Awakening* now he offers a straightforward volume revealing how to reestablish a life altering church with Christ as Lord and Master Illuminating and empowering **THE CHURCH AWAKENING** will ignite a revolution in the way Christians do church for years to come

The Church Awakening Charles R. Swindoll, 2010 **What the Church Forgot to Remember** Peter Triolo Jr., 2012-09-13 Christianity has gone from orthodoxy to evangelical crusades from great demonstrations of miracles to signs and wonders and to the promoting of prosperity in the body of Christ The ideals of honesty and fundamental truths have been replaced by what we think and feel The truth has been reduced to whether or not it is relevant in our society The mindset is if it feels right do it even if it is wrong Moral stability has been replaced by anything goes We have misplaced things important to Christ In *What the Church Forgot to Remember* author Peter Triolo Jr presents the truth about the how and why of Christianity and provides a reminder to what should be close to our hearts regarding Jesus and His church Through scriptural examples Triolo shows how the truth can be found in the Bible through Gods own words *What the Church Forgot to Remember* reminds us that before there was time God loved us and that love is everlasting Theres still time to change the fast food mentality of what we want and get back to what God wants

Insights on 1 & 2 Timothy, Titus Charles R. Swindoll, 2010 The newest addition to this landmark series provides a wealth of colorful detailed and easy to understand insights into 1 and 2 Timothy and Titus **Biblical Studies** *The Impending Midnight Cry* Befekadu Admassu, 2019-12-17 The world is in great turmoil Nuclear cataclysm is a real and present danger and the talk of a third world war has become all too common even among the most influential personalities Political instability is shaking the great nations that once claimed to

be bastions of democracy and rule of law Geopolitical rivalry among the superpowers is ripping apart the institutions that ensured relative peace and stability around the globe for the past several decades Moral decline is destroying the nuclear family and the fabric of society particularly in the once Christian West as more people abandon faith and traditional family values Paradoxically we also live in the most technologically advanced age that humanity has ever seen We have the highest level of material wealth information and knowledge governments global and regional organizations schools universities and research centers hospitals doctors and experts in every field of knowledge We have by far the fastest efficient cost effective and convenient means of communication travel production and distribution as well as health care and entertainment than even our most recent progenitors And yet we are becoming more cruel to each other Our leaders want to take us somewhere but they themselves do not know the destination There appears to be a broad realization that the world is not going in the right direction Many are the calls for change of course and diverse the propositions for direction Are we humans left to our own devices to extricate ourselves from the quagmire into which we have fallen Are we condemned to endless failure Is there a hope for us as individuals families communities and nations The Jewish prophets of old who penned the books of the Bible not only foresaw the storms that would billow throughout the many millennia that followed their times but also assured us of a beautiful and lasting final outcome Their predictions have proved true time and again The most intriguing promise of the prophets was the coming of the Messiah who will rule the world with truth and righteousness The Gospels tell us an even more audacious story that the predictions of the prophets actually came true in the birth of Jesus Christ two thousand years ago The writers of the New Testament have also penned for us the promises of Jesus of Nazareth the only Son of God to come back at the end of the age to establish God s kingdom Could the turmoil we see today be the very birth pangs that will finally usher in the promised kingdom of God

R.E.S.C.U. E.: a Church Navigational System for Transformation J. Lindsay Sadler Jr. DMin,2015-09-10 R E S C U E is a response to the whys in church life Why do the majority of churches have only half or less members attend on the Lords Day Why have approximately 40% of pastors been involved in affairs and 50% of their marriages ended in divorce Why is there infighting in the church and why are there so many church splits Why are there so many pharisaical people in churches Why is the power of the Holy Spirit absent in churches Why is Biblical truth watered down Why is pastor or elder leadership not trusted Why do congregations think they can lead themselves Why isnt the church reaching more lost souls Why is church discipline off most church radars Why is the average percentage of giving per member only between 1 and 3 percent Why is a pastors tenure only two to four years Why do churches fear change After 33 years of ministry overseeing all sizes of congregations I have dealt with those whys If churches do not address the whys many will sink into the ecclesiastical graveyard or remain afloat in stagnate waters I believe R E S C U E can navigate churches to be transformed into an impactful and fruitful body of believers that glorifies our Lord

Super Center Savior Jeff Noble,2015-08-19 There are few areas of the country that have not been affected by Wal Mart stores In many communities

these stores serve not only as retail hubs but also as community centers In Super Center Savior Pastor Jeff Noble explores the similarities between the church and Wal Mart and suggests how the church can become more influential in our lives and communities Using stories personal examples and cultural events Noble helps Christians connect their mission and identity with creative analogies to Wal Mart He issues a thoughtful challenge for Christians to rethink reinvest and repent of selfishness and nudges the western consumer to commit to a faith filled dynamic and influential lifestyle Super Center Savior shows what stores get right what churches get wrong and vice versa It communicates how our world needs churches in which ministry happens 24 7 and the contagious joy that is revealed when Christians quit going to church and start being the church When believers begin to live for Christ and others every day and not just Sundays our churches become as influential and important to our communities as Wal Mart

God, Greed, and the (Prosperity) Gospel Costi W. Hinn, 2019-07-09 A compelling insider account by the nephew of a renowned prosperity preacher on the perils of greed and the power of the true gospel Costi Hinn nephew of the world famous televangelist Benny Hinn had a front row seat to the inner workings of the prosperity gospel In one sermon I heard growing up my uncle taught us that if we wanted God to do something for us we needed to do something for him In *God Greed and the Prosperity Gospel* he gives a chilling account of how prosperity preachers exploit the poor and needy and what it was like to grow up in one of the world s most powerful prosperity dynasties As Costi began to question the lifestyle he was living and look for an answer to the injustice he saw he found himself on a journey that eventually led him to abandon the family faith in favor of the overwhelming truth about the real Jesus Christ This is Costi s story of escape from a false teaching that has ensnared millions And it s a call to the church to be salt and light throughout the earth and to stand up for the truth when Jesus Christ is being falsely represented as a commodity If you want to learn how to reach those caught in deception or if you ve been confused in the past by the insidiously blurred lines between prosperity theology and the true gospel this book will bolster your faith and encourage your own journey toward the Truth Spanish edition also available

Echoes of Eden Eddie Dutra, 2016-06-24 The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use legalism as a means of oppression and control The truth however is that they incur in the same mistakes of them Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to peoples desire not according to Gods interests or the true spiritual need of people The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer therefore it gave them what they wanted The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry When we compare them both groups are alike they all use pragmatism as foundation for ministry thus their teachings are unbiblical their practice unethical and its results devastating to the Christian faith The new painters take advantage of the mistakes of some groups of the evangelicalism with this they find the

opportunity to throw out the baby with the dirty bathwater they throw away the true Gospel along with the errors of the church Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love Fundamentalist fanatics while they pose as open minded good boy preachers and love givers with no trace of prejudice By opposing legalism these men went to the other extreme they became libertines Thus their offered antidote became worse than the poison itself The neoliberal theologians came not to bring healing to the churchs problems rather they aggravated it They are opportunists who are creating a neo Christianity under the perspectives of this new postmodern world
