The Church Unfinished Bernard P. Prusak, 2004 Like human life the Catholic or universal Church is lived forward but understood backward To appreciate the Church's past however does not require that we simply repeat it Using such a framework this book puts the present period of the Church in vast historical context It traces how the Church came from the community of unexpected persons whom Jesus gathered around himself and was then shaped over the course of centuries by human decisions made in the Spirit The Church's catholicity is seen to involve an ever expanding memory embracing the immense richness of past and present times places and cultures and at the same time an openness to assimilating and possibly being transformed by a future history in which God offers new possibilities The book thus proposes that the Church's leadership would do well to nurture a renewed eschatological attitude that embraces a genuine openness to the newness and surprise of the future leaving room not only for continuity but also for the important elements of change and transformation For what the Church is only the entirety of its history will fully reveal

The Church Frederick J. Cwiekowski, 2018-04-23 The historical context in which theological understandings have developed play an important role in our understanding of the modern church In this book Sulpician priest and scholar Frederick J Cwiekowski traces the theology of the church beginning with the community of disciples during Jesus' ministry and the New Testament era He continues through the various periods of history highlighting events from both the East and West including the remarkable developments surrounding the Second Vatican Council the post conciliar period and today's pontificate of Pope Francis With this book intended for general readers and students of theology Cwiekowski hopes to promote an appreciation of the mystery that is the church

By what Authority? Robert L. Millet, 2010 After the apostles Peter and John had healed the lame man at the Gate Beautiful the two disciples were arrested and later brought before the Sanhedrin to account for their deed one that continued to stir the already anxious leaders of the Jews And when they had set them in the midst they asked By what power or by what name have ye done this Acts 4:7 Indeed what was the source of their miracle And by what power or authority did they perform it Those queries ring through the centuries because people in our day still pose the questions Most Christians want to be a part of a denomination or organization that is true faithful to what existed in the first century authorized and therefore approved of God They want to know in other words that God is governing among his people that he is empowering the body of Christ of which they are a

part The essays in this book address the central issue of such authority in the Christian life Book Jacket **Forget Not God's Benefits (Psalm 103:2)** Barbara E.
