

The Coastal Maine Botanical Gardens

**William Cullina, Dorothy E.
Freeman, Barbara Hill Freeman**

The Coastal Maine Botanical Gardens:

The Coastal Maine Botanical Gardens William Cullina, Dorothy E. Freeman, Barbara Hill Freeman, 2012-07-01 Since its grand opening in June 2007 the Coastal Maine Botanical Gardens in Boothbay has become one of Maine's most popular attractions and one of the most distinguished botanical destinations in the country. Wow is the word most often heard from visitors who explore the exquisite gardens, stunning stonework, exceptional natural landscapes, waterfalls, and sculptures. The goal of the Gardens is to preserve the botanical heritage and natural landscapes of coastal Maine. Comprising nearly 250 acres with numerous themed gardens including the Lerner Garden of the Five Senses, The Giles Rhododendron and Perennial Garden, and the Burpee Kitchen Garden, miles of trails, and a rich variety of events year-round, the Gardens has something for everyone. Celebrating the Fifth Anniversary of the Maine Botanical Gardens and honoring the sixteen years of planning and construction that went into them, this book is an inspiring tribute to this paradise on the Maine coast. Bursting with vivid color photographs, information about the Gardens, and a pinch of practical advice for gardeners, it makes a wonderful keepsake or a great gift to inspire others to visit the Gardens.

Public Garden Management Donald Rakow, Sharon Lee, 2011-06-02 The complete and ready reference for establishing, managing, and running a successful and sustainable, profitable public garden. As unique museums with living collections of plants, public gardens offer visitors aesthetically beautiful landscapes combined with educational programming and scientific research that promote the value and understanding of plants. In the twenty-first century, public gardens are in the forefront of organizations and institutions committed to promoting the conservation of plants and their habitats, developing sustainable practices that support the environment, and providing green spaces where our increasingly stressed and urbanized citizens can reconnect with the natural world. It is critically important that such institutions have trained, knowledgeable staff members. Because of its comprehensive examination of public gardens, *Public Garden Management* is the ideal guide for staff members at public gardens, anyone considering a career in public gardens, groups starting a botanical garden or arboretum, and students discovering how these complex institutions work. *Public Garden Management* is an all-in-one professional reference and textbook that clearly shows how to develop, establish, manage, and maintain a sustainable, both economically and environmentally, public garden. Offering practical coverage of relevant topics along with useful tools for reinforcing study, this insightful and forward-thinking guide is Copublished by the American Public Gardens Association. Written by a panel of leading experts in the field, filled with dozens of case studies that are real-world illustrations of the principles explored in the text, illustrated throughout with line drawings, figures, and photographs that assist in conveying critical information, students and professionals will benefit greatly from the management principles outlined in this book, helping them establish and maintain new and existing public gardens that engage, inspire, and connect with their communities.

, [Hiking with Kids New England](#) Sarah Lamagna, 2023-05-15 New England has a lot to offer, so it's no surprise that it's one of the top outdoor tourist destinations in the country. It sees many people traversing its land, each

year and many are there specifically seeking outdoor adventure And with families spearheading the need to get outdoors with their little ones there are places a plenty for exploring with littles of all ages Whether you live here or are simply traveling through Hiking with Kids New England offers up new and exciting adventures for parents and their elementary school age kids alike Organized around location for ease of knocking out all of those bucket list places the book features 40 50 easily accessible day hike locations with each hike featuring a color photo and a map As is standard with FalconGuides all the basic information from trailhead GPS to best times to go to fees and contacts will be there along with trail descriptions geared directly for the kids The book s handy Best Hikes For chart in the beginning will identify the best hikes for water features historic geographic features views cool flora fauna and more Hiking with Kids New England will keep its young participants engaged with tips on cool scavenger hunts how to identify various animals bird calls and more fun facts about the history of the land and more

The New England Coast William H. Johnson, Kim Knox Beckius, To explore the New England Coast is to explore the roots of our nation from the Pilgrims landing at Plymouth Rock to the Battle of Bunker Hill It is to experience the traditions that have shaped our culture and livelihood from the quaint fishing villages at land s end to the prestigious colleges of Boston And it is to witness the natural wonders of Cape Cod s miles of open beach the rugged cliffs along the Maine Coast the dense forests of Acadia National Park and much more In The New England Coast writer Kim Knox Beckius and photographer William H Johnson present the sights and experiences that make this region one of the country s most popular destinations beloved by year round residents and seasonal vacationers alike As it highlights the coast s history and culture the book also offers practical travel information and suggestions for the best ways to explore the region It is an ideal companion for the millions who flock to the New England Coast every summer as well as perfect fireside reading during the harsh Atlantic winters

Maine David J. Clarke, 2024-08-01 From hiking up Mount Katahdin to visiting the historic Portland Head Light Maine is full of adventures This title introduces the state s people culture and places to visit Easy to read text vivid images and helpful back matter give readers a clear look at this subject Features include a table of contents infographics a glossary additional resources and an index Aligned to Common Core Standards and correlated to

state standards Kids Core is an imprint of Abdo Publishing a division of ABDO **Fairy Houses of the Maine Coast**
Maureen Heffernan,2010-07-01 The cultural phenomenon of fairy houses crafted solely from available natural materials
apparently originated spontaneously on a few Maine islands and in recent years these charming wee shelters made from
leaves moss twigs stones bark shells feathers and other found items have caught the imaginations of parents and children
everywhere Fairy Houses of the Maine Coast showcases outstanding examples of the miniature homes and delves into the
history and folklore associated with garden and woods fairies *What's Great about Maine?* Andrea Wang,2015-02-01 What
s so great about Maine Readers will explore the top ten things to do in the Pine Tree State including historic parks fun filled
museums and outdoor adventures Family Friendly Hikes in Maine Aislinn Sarnacki,2017-06-01 The vast majority of
visitors to Maine are not rugged outdoors types looking for adventure Yet many of these people still want to enjoy a nice walk
or short hike with their kids or parents In this collection of hikes Bangor Daily News outdoors reporter Aislinn Sarnacki
presents dozens of hikes around the state that will let you experience the Maine wilderness but won t leave you gasping for
breath Most are short less than three miles and all are in the easy moderate difficulty range Color photos inform you of trail
details and some of the wildlife or scenery you may see on your hikes and clear maps make sure you make it home for dinner
It s all rounded out with practical advice and information about access to public and private lands
