Seminary president Jeff Iorg believes that character and character development are essential foundations for effective leaders. In *The Character of Leadership*, he writes about how God ever shapes character in the life of every leader and in relation how continual spiritual formation is a process to which every good leader must pay close attention. Iorg puts insightful chapter-long emphasis on nine important character-shaping qualities that help readers in becoming the leader God intends them to be, rather than doing the leading God intends them to do. The nine qualities are Integrity, Security, Purity, Humility, Servanthood, Wisdom, Discipline, Courage, and Passion. Endorsements: Rick Warren, author of *The Purpose-Driven Life*. Jeff Iorg defines lasting leadership as character, not capacity or competency. The making of a great leader is built on what God intends you to be, rather than doing the leading God intends for you to do. His purpose is first and foremost to shape you into the image of Jesus, the greatest.
