The Cherry Log Sermons:

The Cherry Log Sermons Fred B. Craddock,2001-03-01 A collection of sermons on a variety of texts and topics all showing the wit gifted turn of phrase narrative skill and biblical insight of Fred Craddock **The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Vol. 7** Hughes Oliphant Old,2010 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen **The Collected Sermons of Fred B. Craddock** Fred B. Craddock,2011-04-04 This collection of more than fifty of Fred Craddock s sermons provides a glimpse of a master preacher at work Amazingly only one of the sermons was preached from a manuscript written in advance as Craddock considered a sermon to be an event in the world of sound As a result the selections here wonderfully reflect and preserve Craddock s voice and engage readers with all the immediacy of the spoken word Preaching Effectively, Revitalizing Your Church Guerric DeBona,2009 Preaching Effectively Revitalizing Your Church offers a practical and theological guide to effective preaching Guerric DeBona an experienced and respected teacher of homiletics uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching Beginning with advice on discovering a personal theology of preaching the author proceeds to unlock the power of the Bible and the liturgy He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and temperament Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today s world Finally DeBona challenges readers to recognize and confront their own obstacles to effective preaching Each chapter ends with questions to assist preachers in appropriating the material With bad homilies consistently cited as a factor in declining church attendance Preaching Effectively Revitalizing Your Church answers a very pressing need especially in view of the papacy s urgent call to rescue traditionally Christian countries from the brink of total secularization Book jacket Sermons from Mind and Heart Rodney Wallace Kennedy,2011-07-27 Sermons from Mind and Heart attempts to show the week by week theological work that a pastor does The combining of the intellectual with the emotional is rooted in the categories of logos and pathos from Aristotle s Rhetoric Some of the sermons have substantive theological reflections with multiple sources and are thus heavily footnoted other sermons have no footnotes This doesn t mean that any sermon lacks logos or pathos but that there is an interplay a back and forth of a pastor struggling to communicate the Gospel in a this is that way that honors both the then of Scripture and the now of contemporary life Rhetorical scholarship and methodology are important in understanding the content and

the structure of the sermons What matters most is the sense that these sermons are an ongoing theological conversation between the pastor and his congregation Sermons after all are meant to be heard and they exist in the moment as authentic rhetorical acts All other versions of the sermon including this written form are only echoes of the primal sermonic experience

The Write Stuff Sondra B. Willobee,2009-01-16 With clarity and wit preacher and writer Sondra Willobee explores the joyful process of crafting effective sermons Gathering the strategies of good writers Willobee shows how to capture and keep listeners attention how to generate suspense through structure and how to increase impact with vivid language In addition Willobee offers examples exercises and reflections that help turn each chapter into a preaching workshop The result is a book that will rekindle the creativity of experienced preachers and help new preachers develop their own compelling voices

Craddock on the Craft of Preaching Fred B Craddock,2011-05-31 No one has had more impact and influence on the craft of preaching in the last several decades than Fred Craddock After his retirement from a distinguished teaching career he became free to share his wisdom with a wider audience without the burdens of academic responsibilities The lectures and workshops show an ever expanding scholarship beyond that of his published books This book has gathered the best of the best of these lectures workshops and offers them to preachers and students of preaching for critical reflection and increased effectiveness **Care-full Preaching** G. Lee Ramsey,2012-03-15 In Care full Preaching G Lee Ramsey Jr offers a new vision for how sermons can energize all members of a congregation to care for one another Using fresh images and sermons from Fred Craddock James Forbes Gina Stewart Barbara Brown Taylor and himself Ramsey demonstrates in practical ways how sermons can create a caring community *The Blessing* Charles E. Jackson,2020-12-30 Why should you bother to look at this book and even consider purchasing and reading it There must be more that God has for those who believe as we seek to grow and mature in the faith of Christ The subtitle Who May Ascend is based on Psalm 24 It suggests there is more and that the hearts of many still seek it Are you one of them If so come be encouraged by scripture challenged by Rev Dr Charles Jackson s reflections and inspired by nature Come discover The Blessing **Dancing with Metaphors in the Pulpit** Rodney Wallace Kennedy,2024-07-30 Dancing with Metaphors in the Pulpit is a prequel to the writing and delivery of the sermon The work of invention which includes the gathering of material is the primary focus of the book The hard work of preaching takes place in the thinking reading and writing The cross disciplinary study provided here covers lessons learned by preachers and by novelists poets philosophers and rhetoricians
