Staff,Witter Bynner,1978-09-01 **The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry **Between the Lines: Yang**

Lian's Poetry Through Translation Cosima Bruno,2012-06-08 Between the Lines provides theoretical foundation and a methodology for studying poetry through translation With insider s perspective the author Cosima Bruno presents contemporary Chinese poems by Yang Lian b 1955 as case study [Translation East and West](#) Cornelia Niekus Moore,Lucy Lower,1992 **A Cultural History Of Classical Chinese Gardens** Yi Wang,2015-03-01 Gardens are a type of landscape

art created by the hands of human beings Chinese gardens are not only one of China s traditional cultural treasures but they are also a unique charm of human cultural heritage Literati gardens occupy an essential position among Chinese gardens one of the three major genres of gardens in the world The reason why literati gardens occupy an important position in classical Chinese gardens and even in the entire system of traditional Chinese culture and art lies in their exquisite architecture exotic flowers and whimsical stones available for the exploration and appreciation of the literati More significantly gardens have provided a venue of daily life academic writings artistic creation social gatherings and other cultural activities for ancient Chinese scholars Consequently a wealth of traditional Chinese cultural factors is embedded in the intricate art of landscape architecture The constant integration and interaction of traditional Chinese culture and gardens have in turn nurtured a unique Chinese garden culture Chinese gardens are a critical embodiment of Chinese culture distinctly exemplifying the ancient Chinese patriarchal system the cosmology the personality ideal and other cultural elements The evolution of the cultural history of Chinese gardens is in harmony with the overall process of the Chinese cultural history This book describes the major genres the characteristics and the formation of classical Chinese gardens as well as the relationship between classical Chinese gardens and classical Chinese culture and arts in a more succinct plain language The publisher believes that this book will certainly provide the reader with an authentic and comprehensive overview of the Chinese garden culture Published by SCPG Publishing Corporation and distributed by World Scientific for all markets except China **After**

Confucius Paul R. Goldin,2017-04-01 After Confucius is a collection of eight studies of Chinese philosophy from the time of Confucius to the formation of the empire in the second and third centuries B C E As detailed in a masterful introduction each essay serves as a concrete example of thick description an approach invented by philosopher Gilbert Ryle which aims to

reveal the logic that informs an observable exchange among members of a community or society To grasp the significance of such exchanges it is necessary to investigate the networks of meaning on which they rely Paul R Goldin argues that the character of ancient Chinese philosophy can be appreciated only if we recognize the cultural codes underlying the circulation of ideas in that world Thick description is the best preliminary method to determine how Chinese thinkers conceived of their own enterprise Who were the ancient Chinese philosophers What was their intended audience What were they arguing about How did they respond to earlier thinkers and to each other Why did those in power wish to hear from them and what did they claim to offer in return for patronage Goldin addresses these questions as he looks at several topics including rhetorical conventions of Chinese philosophical literature the value of recently excavated manuscripts for the interpretation of the more familiar received literature and the duty of translators to convey the world of concerns of the original texts Each of the cases investigated in this wide ranging volume exemplifies the central conviction behind Goldin s plea for thick description We do not do justice to classical Chinese philosophy unless we engage squarely the complex and ancient culture that engendered it
