The Choose Yourself Stories:

The Choose Yourself Stories James Altucher, 2014-06-13 These are the raw best written stories of James Altucher as he rides the roller coaster of wealth poverty abundance romance tragedy comedy and everything in between From the depths of despair to revelation and honesty these stories are James at his best in writing and rawness He kept these stories under wraps until now **Exclamation!: The quiet kind of healing that begins when you choose yourself.** Manali

Talreja, 2025-07-10 What if you're not lost just finally finding yourself You're not broken You're just carrying stories no one taught you how to release Exclamation isn't your typical self help book It doesn't try to fix you it helps free you This is for the quiet survivor The overthinker The one who's been strong too long It's a soft rebellion Against burnout guilt and the pressure to always be okay For anyone who has ever whispered I want to choose myself but I don't know how Inside you'll find Stories that sound like yours Reflections that feel like mirrors Gentle exercises that feel like a hug This isn't about becoming a new you It's about returning to the you who was always there just waiting to be chosen No full stops here Just one loud brave

Exclamation **The New Akashic Records** Cheryl Trine, 2010 Trine presents an in depth yet easily understood history of the Akashic Records and uncovers the ancient connection to divine memory judgment and destiny as the Book of Life She reaches into Hinduism Buddhism and Tibetan Bn to understand the Akasha **A Life Love Story** Laurens Midnite, Laurens Brasdorp, 2020-05-31 Together as one a read through time a journey of stories texts poetries lines combined a work out of Passion Love and Romance combined Feelings emotions energetic and times to cheek up a smile to go While personal as well thoughts lines of mind to inspire guide and smile with love and romance in Poetry Verse writing to read Enjoy Thanks

Laurens Midnite **The Glory of our Story**, We each one of us have our own stories Everyone knows the story of some people whereas the story of some people is unheard Some people are like an open book and some people are a mystery box full of surprises I always loved sharing my stories with family friends and peers whether it maybe a sad story or the one full of amusement And that's why I like living my life openly with no hesitations I was not amazed with their reaction though since I am the speaker I always had to prepare for a criticism But also this didn't stop me sharing my feelings freely In this world Women Empowerment is a critical issue And Women have always proved their worth whether it be economically or in gender equality and we should admire their perseverance and beauty I was brought up in a place where I faced daily discrimination and criticism just because I am a girl Although as I grew up I learned how important it is to break the stereotypes So I came up with the title The Glory of our Story as we are the first one to understand how important our story to be heard is filled with the jars of emotions Let each story of ours glorify in the world with a brightest ray of joy **Brave**
