## **The Church Of Irresistible Influence Bridge Building Stories To Help Reach Your Community:**

**The Church of Irresistible Influence** Robert Lewis, Rob Wilkins, 2002-10-27 Now available in paperback The inspiring story of how a church showed God's love to a dying culture by building bridges to its neighborhood community and world

**Firestorms of Revival** Bob Griffin, 2006-10 Learn the ten characteristics of revival and see the move of God change not only your ministry but your community

**Gospel Renewal** Timothy Keller, 2013-09-03 It is quite easy to assume that if we understand the gospel accurately and preach it faithfully our ministry will necessarily be shaped by it but this is not true Many churches subscribe to gospel doctrines but do not have a ministry that is shaped by centered on and empowered through the gospel Its implications have not yet worked their way into the fabric of how the church actually does ministry These churches theological vision has likely arisen from something other than sustained reflection on the gospel Gospel centered ministry is more theologically driven than program driven To pursue it we must spend time reflecting on the essence the truths and the very patterns of the gospel itself This eBook contains the second part of Center Church Gospel Renewal In it Keller reflects on the history and patterns of revival how individual and corporate gospel renewal occurs and what happens as a result

**The Surprising Return of the Neighborhood Church** Sam Rainer, 2023-09-05 Opportunity Lies Right Down the Road There's hope for your church Respected church expert Sam Rainer envisions an exciting new wave of revitalized neighborhood churches that are growing and thriving In the not so distant past churches tended to relocate away from their neighborhoods and build large campuses at major intersections At the turn of the 21st century a dramatic shift occurred A new generation began looking to neighborhood churches to foster life giving friendships provide opportunities for service and create a community dedicated to worshipping God Sam Rainer describes this movement and answers the most common questions about this surprising new phenomenon What are the marks of a healthy neighborhood church What are the most common myths about the neighborhood church What are the obstacles to church growth What are the best strategies to reach your neighbors The neighborhood church is primed for a comeback The potential is huge God wants to do incredible things Are you ready

**Christians in an Age of Wealth** Craig L. Blomberg, 2013-11-26 What does the Bible say about money material possessions and stewardship In Christians in an Age of Wealth Craig Blomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian's life He points to the goodness of wealth as God originally designed it but also surveys the Bible's many warnings against making an idol out of money Taking a close exegetical look at this topic as it's discussed in Scripture Blomberg answers the toughest questions about Christianity and wealth Is there any one key to keeping possessions in their proper God intended perspective Are there limits on how rich we should become or on how poor we should allow others to get What does a truly Christian economic system look like How does the Bible's teaching on wealth fit into the gospel Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness He expands on the concept of giving

generously even sacrificially to those who are needier demonstrating how Christians can participate in God's original good design for abundance and demonstrate the world altering gospel of Christ \_\_\_\_\_ Part of the Biblical Theology for Life series this practical and challenging book will help you and your church ground your worldly possessions on the solid foundation of biblical understanding and reflection **Witness Essentials** Daniel Meyer, 2012-02-27 We know the radical difference the gospel of Jesus Christ makes and we want others to know of it So often though we feel that we are inadequate to the task The Bible studies exercises and readings in Daniel Meyer's new book will deepen your faith and equip you to minister to others with a new sense of confidence and calling **Welcome to College** Jonathan Morrow, 2008 To help the upcoming student Jonathan Morrow provides this engaging guide packed with advice on all manner of issues from dating and friends classes and homework to avoiding the temptation to just check out spiritually while in school Morrow gives personal advice and anecdotes draws examples from Scripture and offers additional resources for further insights from publisher description **The Heart of Hebrews** Leslie Powers, 2018-08-08 Making the presence of God known in the world goes to the very heart of the church's purpose Yet it is a formidable challenge How can the church make the presence and glory of God a reality in a world that both denies God and hates the church By the church bearing the image of Jesus Christ in the world through word and deed for as the unknown author of Hebrews declares Jesus is the radiance of God's glory and the exact representation of His being Hebrews 1:3 It is not the primary purpose of the church to specialize in economic social or political issues but rather to proclaim the good news of what God has accomplished in and through Jesus Christ When the church quits proclaiming Christ to proclaim a message of love acceptance tolerance and affirmation then it ceases to effectively fulfill its purpose and loses its relevancy Christ came into the world to proclaim the Gospel in the marketplace and He did so while never surrendering His identity or sacrificing His purpose for the sake of relevancy He expects his church in every age to do likewise The greatest need in the church today is exactly what the early church needed in the first century In a church that is infected with a spiritual apathy has forsaken her first love has compromised truth and is lukewarm a new vision of the risen and glorified Christ dwelling in her midst is needed The only method God designed to lead the church to recover the awareness of Christ's presence is prayer and preaching that focuses on Jesus Christ Thus if the church is to flourish again there is no greater need than a recovery of faithful powerful biblical preaching whose subject is Christ and the new birth **Welcome to College 2nd ed** Jonathan Morrow, 2017-03-28 The single best volume I have ever read for preparing students for how to follow Jesus and flourish as his disciple in college J P Moreland Is there a more frightening question for a graduating high school senior than What will you do with your life In college whether they realize it or not students will answer that question every day with each decision All of the new friends and new experiences of higher education will shape their future It's critical that students know how to handle college before they're in the thick of it Jonathan Morrow tackles the tough questions that arise during these formative years including How do you grow spiritually

How do you manage your time to both study well and have fun Is all truth relative Are there good reasons to be a Christian As a Christian how should you view issues like dating and sex Each chapter of this new edition has been updated and the author has included a new chapter on Christianity homosexuality and the Bible Grounded in both his own extensive experience and biblical truth Morrow s book is full of quick easy to read chapters and excellent advice     Cultural Engagement Timothy Keller,2013-09-03 Fruitful ministry in the century must embrace the unavoidable reality of the city A Center Church theological vision affirms that center cities are wonderful strategic and underserved places for gospel ministry and recognizes that virtually all ministry contexts are increasingly shared by urban and global forces Regardless of your particular cultural or geographical context you will need to consider the city when forming a theological vision that engages the people you are trying to reach This eBook contains the fifth part of Center Church Cultural Engagement In it Keller discusses four models for engaging urban culture acknowledging that each model has strengths and weaknesses ways in which it reflects a particular biblical emphasis and other ways in which it reflects an unbiblical imbalance or idol The Center church model for cultural engagement blends the key insights of each model in a way that we believe is more biblically faithful and also fruitful for reaching urban culture
