

THE CIVIL WARS

*A Military History of
England Scotland and Ireland
1638-1660*

Edited by
JOHN KENYON AND JANE OHLMAYER

The Civil Wars A Military History Of England Scotland And Ireland 1638 166

**Professor Philip Payton, Dr Alston
Kennerley, Helen Doe**

The Civil Wars A Military History Of England Scotland And Ireland 1638 166:

The Civil Wars John Kenyon, Jane Ohlmeyer, 2000-08 This beautifully illustrated military history of the British Irish Civil Wars offers an account of the conflict that engulfed the kingdoms ruled by Charles I after 1638 Analyzes the interactions between the Stuart kingdoms compares contrasts their wartime experiences Outlines the various civil wars which were fought within Scotland Ireland England during the 1640s Explains why Charles I lost the Wars of the 3 Kingdoms how the English parliament reduced Ireland Scotland to its authority after 1649 Examines the logistics of maintaining armies the strategies adopted by both sides in the various theaters of war the tactics used by their generals in combat **Royalists at War in Scotland and Ireland, 1638-1650** Barry Robertson, 2016-04-08 Analysing the make up and workings of the Royalist party in Scotland and Ireland during the civil wars of the mid seventeenth century Royalists at War is the first major study to explore who Royalists were in these two countries and why they gave their support to the Stuart kings It compares and contrasts the actions motivations and situations of key Scottish and Irish Royalists paying particular attention to concepts such as honour allegiance and loyalty as well as practical considerations such as military capability levels of debt religious tensions and political geography It also shows how and why allegiances changed over time and how this impacted on the royal war effort Alongside this is an investigation into why the Royalist cause failed in Scotland and Ireland and the implications this had for crown strategy within a wider British context It also examines the extent to which Royalism in Scotland and Ireland differed from their English counterpart which in turn allows an assessment to be made as to what constituted core elements of British and Irish Royalism **International Politics and Warfare in the Age of Louis XIV and Peter the Great** William Young, 2004 The Peace of Westphalia 1648 ending the Thirty Years War resulted in the rise of the modern European states system However dynasticism power politics commerce and religion continued to be the main issues driving International politics and warfare Dr William Young examines war and diplomacy during the Age of Louis XIV and Peter the Great His study focuses on the later part of the Franco Spanish War the Wars of Louis XIV and the Anglo Dutch Wars in the West In addition the author explores the wars of the Baltic Region and East Europe including the Thirteen Years War Second Northern War War of the Holy League and the Great Northern War The study includes a guide to the historical literature concerning war and diplomacy during this period It includes bibliographical essays and a valuable annotated bibliography of over six hundred books monographs dissertations theses journal articles and essays published in the English language International Politics and Warfare in the Age of Louis XIV and Peter the Great is a valuable resource for individuals interested in the history of diplomacy warfare and Early Modern Europe **Rethinking the Scottish Revolution** Laura A. M. Stewart, 2018-11-08 The English revolution is one of the most intensely debated events in history parallel events in Scotland have never attracted the same degree of interest Rethinking the Scottish Revolution argues for a new interpretation of the seventeenth century Scottish revolution that goes beyond questions about its radicalism and reconsiders its place

within an overarching British narrative In this volume Laura Stewart analyses how interactions between print and manuscript polemic crowds and political performances enabled protestors against a Prayer Book to destroy Charles I's Scottish government Particular attention is given to the way in which debate in Scotland was affected by the emergence of London as a major publishing centre The subscription of the 1638 National Covenant occurred within this context and further politicized subordinate social groups that included women Unlike in England however public debate was contained A remodelled constitution revived the institutions of civil and ecclesiastical governance enabling Covenanted Scotland to pursue interventionist policies in Ireland and England albeit at terrible cost to the Scottish people War transformed the nature of state power in Scotland but this achievement was contentious and fragile A key weakness lay in the separation of ecclesiastical and civil authority which justified for some a strictly conditional understanding of obedience to temporal authority Rethinking the Scottish Revolution explores challenges to legitimacy of the Covenanted constitution but qualifies the idea that Scotland was set on a course to destruction as a result Covenanted government was overthrown by the new model army in 1651 but its ideals persisted In Scotland as well as England the language of liberty true religion and the public interest had justified resistance to Charles I The Scottish revolution embedded a distinctive and durable political culture that ultimately proved resistant to assimilation into the nascent British state

The Civil Wars John Philipps Kenyon, Jane H. Ohlmeyer, John Stephen Morrill, 1998 This beautifully illustrated military history of the British and Irish Civil Wars offers an integrated account of the conflict that engulfed the kingdoms ruled by Charles I after 1638 On one hand it studies the interaction between the Stuart kingdoms comparing and contrasting their wartime experiences on the other it outlines the various civil wars which were fought in Scotland Ireland and England during the 1640s Throughout the text contributors examine how troops were raised trained clothed armed fed and paid the strategies adopted by the protagonists fighting in the various theatres of war and the tactics used by their generals in combat What role did siege warfare play in shaping the course of events What contribution did seapower make to the conduct of combat on land What impact did ten years of brutal conflict have on the populations of England Ireland and Scotland especially on the women and children Such are the questions this book aims to answer

The Maritime History of Cornwall Professor Philip Payton, Dr Alston Kennerley, Helen Doe, 2015-05-01 Cornwall is quintessentially a maritime region Almost an island nowhere in it is further than 25 miles from the sea Cornwall's often distinctive history has been moulded by this omnipresent maritime environment while its strategic position at the western approaches jutting out into the Atlantic has given this history a global impact It is perhaps surprising then that despite the central place of the sea in Cornwall's history there has not yet been a full maritime history of Cornwall The Maritime History of Cornwall sets out to fill this gap exploring the rich and complex maritime inheritance of this unique peninsula In a beautifully illustrated volume individually commissioned contributions from distinguished historians elaborate on the importance of different periods from the Middle Ages to the twentieth century The Maritime History of Cornwall is a

significant addition to the literature of international maritime history and is indispensable to those with an interest in Cornwall past and present Winner of the Holyer an Gof Non Fiction Award 2015 Raw Generals and Green Soldiers Pádraig Lenihan, 2023-08-21 The eleven years of conflict that engulfed Ireland 1641-53 can be seen as a drama in three acts each of which drew Ireland into progressively closer alignment with the Civil Wars 1642-52 in the other two Stuart kingdoms Scotland and England The first act in the Wars of Religion in Ireland 1641-53 began in October 1641 with a rising in Ulster and shuddered to a halt in September 1643 when the insurgents now embodied as the Confederate Catholics agreed a ceasefire with Charles I's representative in Ireland This study is confined to Act One to manage its sheer scope and scale Not a single county in Ireland was unscathed by war and in summer 1642 there were more men under arms than there ever had been or would be again Moreover Act One was singularly nasty Insurgent slaughter of Protestant settlers in the winter of 1641-42 quickly gained canonical status English and Scots armies routinely massacred natives in the spring and summer that followed After their uprising failed the Irish in 1642 were attacked by English and Scottish armies that were bigger in aggregate than any before or since And that includes the armies of Elizabeth I Oliver Cromwell and William of Orange Lacking munitions forced to disperse their strength and usually outfought in open battle the Confederate Catholics pushed back in war as process and food fights in which castles dominating a chequerboard of hinterlands jostled with hostile neighbors The Catholics were winning this small war when the music stopped in 1643 This is a study of the Catholic armies in Act One through a succinct narrative which reveals underlying pattern and purpose in what would otherwise be one apparently random battle siege skirmish massacre and cattle raid after another devoid of form or meaning The narrative focuses in and out from the strategic through the operational down to the tactical and what happened in a particular place on a given day The narrative also shifts from the southern or Leinster Munster theater to the northern or Connacht Ulster theater Meaning is disclosed through narrative in which the strengths and shortcomings of the Irish armies become clearer The quotation in the title sets up two such shortcomings of leaders and led One reason why the Catholics lost so many battles may be that their generals fought battles when they needn't have showed a fatal preference for the all-out attack and did not always deploy in a manner that let their army's components pike shot and horse act in mutual support Another reason may be that the rankers were less invested in the Catholic cause than their officers But the establishing quotation is followed by a question mark Perhaps the real question to be asked is how the Catholic armies achieved so much rather than why they failed **Philip Skippon and the British Civil Wars** Ismini Pells, 2020-03-06 Philip Skippon was the third most senior general in parliament's New Model Army during the British Civil Wars A veteran of European Protestant armies during the period of the Thirty Years War and long serving commander of the London Trained Bands no other high ranking parliamentarian enjoyed such a long military career as Skippon He was an author of religious books an MP and a senior political figure in the republican and Cromwellian regimes This is the first book to examine Skippon's career which is used to

shed new light on historical debates surrounding the Civil Wars and understand how military events of this period impacted upon broader political social and cultural themes *Irish Influence at the Court of Spain in the Seventeenth Century* Igor Pérez Tostado, 2008 No further information has been provided for this title **Sermons and Tracts from the Civil Wars (1646-1649) (Volume 18)** John Owen, 2025-02-12 Edited for Modern Readers These Wartime Sermons from John Owen Explore God's Judgment and Sovereignty Regarded as one of the greatest theologians in history 17th century pastor John Owen wrote extensively on holiness Scripture the Trinity missions and ecclesiology His classic works which have inspired Christian thinkers including Charles Spurgeon J I Packer and John Piper remain influential but until now haven't been offered in an easy to read collection The Complete Works of John Owen is a 40 volume project that brings together all of Owen's original theological writing reformatted for modern readers Volume 18 includes 5 sermons that Owen delivered at a time of civil war addressing matters such as providence and toleration Together they outline his vision for a lasting settlement for both church and state With extensive introductions by editor Martyn C Cowan this volume also includes outlines footnotes and other supporting resources Edited and Formatted for Modern Readers Presents Owen's original writing newly typeset with insightful introductions outlines text breaks headings and footnotes Part of the Complete Works of John Owen Project This collection which includes material not previously published will release 40 hardcover volumes over a number of years Perfect for Churches and Schools Written for students pastors theologians and those interested in the sermons of John Owen

The Civil Wars A Military History Of England Scotland And Ireland 1638 166 Introduction

The Civil Wars A Military History Of England Scotland And Ireland 1638 166 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Civil Wars A Military History Of England Scotland And Ireland 1638 166 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Civil Wars A Military History Of England Scotland And Ireland 1638 166 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Civil Wars A Military History Of England Scotland And Ireland 1638 166 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Civil Wars A Military History Of England Scotland And Ireland 1638 166 Offers a diverse range of free eBooks across various genres. The Civil Wars A Military History Of England Scotland And Ireland 1638 166 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Civil Wars A Military History Of England Scotland And Ireland 1638 166 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Civil Wars A Military History Of England Scotland And Ireland 1638 166, especially related to The Civil Wars A Military History Of England Scotland And Ireland 1638 166, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Civil Wars A Military History Of England Scotland And Ireland 1638 166, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Civil Wars A Military History Of England Scotland And Ireland 1638 166 books or magazines might include. Look for these in online stores or libraries. Remember that while The Civil Wars A Military History Of England Scotland And Ireland 1638 166, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Civil Wars A Military History Of England Scotland And Ireland 1638 166 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Civil Wars A Military History Of England Scotland And Ireland 1638 166 full book , it can give you a taste of the authors writing

style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Civil Wars A Military History Of England Scotland And Ireland 1638 166 eBooks, including some popular titles.

FAQs About The Civil Wars A Military History Of England Scotland And Ireland 1638 166 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Civil Wars A Military History Of England Scotland And Ireland 1638 166 is one of the best book in our library for free trial. We provide copy of The Civil Wars A Military History Of England Scotland And Ireland 1638 166 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Civil Wars A Military History Of England Scotland And Ireland 1638 166. Where to download The Civil Wars A Military History Of England Scotland And Ireland 1638 166 online for free? Are you looking for The Civil Wars A Military History Of England Scotland And Ireland 1638 166 PDF? This is definitely going to save you time and cash in something you should think about.
