

The Best One-Hour History

The Cold War

Robert Freeman

The Cold War The Best One Hour History

United States. Congress

The Cold War The Best One Hour History:

How We Forgot the Cold War Jon Wiener, 2012-10-15 Hours after the USSR collapsed in 1991 Congress began making plans to establish the official memory of the Cold War Conservatives dominated the proceedings spending millions to portray the conflict as a triumph of good over evil and a defeat of totalitarianism equal in significance to World War II In this provocative book historian Jon Wiener visits Cold War monuments museums and memorials across the United States to find out how the era is being remembered The author s journey provides a history of the Cold War one that turns many conventional notions on their heads In an engaging travelogue that takes readers to sites such as the life size recreation of Berlin s Checkpoint Charlie at the Reagan Library the fallout shelter display at the Smithsonian and exhibits about Sgt Elvis America s most famous Cold War veteran Wiener discovers that the Cold War isn t being remembered It s being forgotten Despite an immense effort the conservatives monuments weren t built their historic sites have few visitors and many of their museums have now shifted focus to other topics Proponents of the notion of a heroic Cold War victory failed the public didn t buy the official story Lively readable and well informed this book expands current discussions about memory and history and raises intriguing questions about popular skepticism toward official ideology *New York Magazine* ,1992-03-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **TIMES OF WAR & PERIL -**

The Historical Novels Series (Illustrated Edition) G. A. Henty, 2023-12-10 In Times of War Peril G A Henty masterfully weaves historical narrative with adventurous storytelling offering readers a vivid portrayal of tumultuous periods in history Set against the backdrop of wars and significant upheavals Henty employs a direct and engaging literary style drawing readers into the life of young protagonists as they navigate the complexities of bravery loyalty and moral courage The illustrated edition enhances this experience allowing readers to fully immerse themselves in the historical context that shapes the characters journeys while enriching the visual narrative of this compelling series G A Henty a prolific author of historical fiction in the late 19th century specialized in tales that appealed to a young audience His own background having served as a war correspondent during conflicts and his keen interest in the lives of soldiers and civilians alike shaped his ability to blend informative historical detail with thrilling adventure Henty s writing is influenced by Victorian ideals of masculinity and honor urging his readers to aspire to virtues exemplified by his characters This book is highly recommended for readers of all ages who seek both educational enrichment and entertainment Whether you are a historian a parent looking for inspiring narratives for younger readers or simply a lover of historical fiction Henty s Times of War Peril offers a captivating escape into the past that remains relevant and thought provoking today *World Order in History* Paul

Dukes, 2002-01-31 *World Order in History* argues that historians' ideas about world order have been influential in transforming nations' sense of themselves. Paul Dukes demonstrates how a series of successive historians and analysts attempt to make sense of the world in which they live, often appropriating intellectual ideas spawned in different contexts in order to do so. Hindsight allows us to view stages in the evolution of these interpretations and to recognise that they are limited by the constraints of the age in which their authors lived. Dukes pursued these arguments with particular reference to Russia and the Western world from the early modern period right up to the present. He draws conclusions on the state of the debate in the nineties and offers some views as to the way forward for historians of Russia and the wider world. This book will be of interest to all concerned with the study of history in particular philosophy of history and Russian history. **Catalogue** Ohio State University, 1953. *Annual Reports of the Secretary of War* United States. War Department, 1899. *Congressional Record* United States. Congress, 2001. *AP Foreign Correspondents in Action* Giovanna Dell'Orto, 2016. Through extended portraits of AP foreign correspondents, this book documents the practices and constraints shaping international news since World War II. **New York Magazine**, 1992-01-13. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **Ohio State University Bulletin**, 1956.
