The Catcher In The Rye 1991 White:

J.D. Salinger's The Catcher in the Rye Sarah Graham, 2007-06-11 J D Salinger's *The Catcher in the Rye* 1951 is a twentieth century classic. Despite being one of the most frequently banned books in America, generations of readers have identified with the narrator Holden Caulfield, an angry young man who articulates the confusion, cynicism, and vulnerability of adolescence with humour and sincerity. This guide to Salinger's provocative novel offers an accessible introduction to the text and contexts of *The Catcher in the Rye*, a critical history surveying the many interpretations of the text from publication to the present, a selection of new critical essays on *The Catcher in the Rye* by Sally Robinson, Renee R. Curry, Denis Jonnes, Livia Hekanaho, and Clive Baldwin, providing a range of perspectives on the novel and extending the coverage of key critical approaches identified in the survey section, cross references between sections of the guide in order to suggest links between texts, contexts, and criticism, suggestions for further reading. Part of the Routledge Guides to Literature series, this volume is essential reading for all those beginning detailed study of *The Catcher in the Rye* and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Salinger's text. *J. D. Salinger's The Catcher in the Rye* Josef Benson, 2018-03-12 A fascinating examination of J D Salinger and his landmark novel *The Catcher in the Rye*. Since its publication in 1951, *The Catcher in the Rye* has been a cultural phenomenon, not only as an assigned text for English courses but as a touchstone for generations of alienated youth. But who was J D Salinger, and how did he come to write a novel whose impact continues to resonate with millions of readers? In *J D Salinger's The Catcher in the Rye: A Cultural History*, Josef Benson examines the legacy of an elusive author and his work. After exploring how the novel reflected Salinger's tortured psyche, Benson discusses how the book made an impact on generations of readers from 1960s counter culture youth and followers of the Black Power movement of the 1970s to the disenfranchised teens of the Reagan era and the celebrity fixated masses of the present day. In addition, Benson unravels the mystery behind Salinger's reclusiveness, the effects the novel had on the reading public who adored it, and why three American assassins cited the novel as an inspiration. J D Salinger's *The Catcher in the Rye* also considers why this work of fiction has been among the most widely taught and most frequently banned books of all time. By looking at the novel as both an artifact of the 1950s as well as a living testament to the turmoil of teenage angst, this book provides a riveting discussion of one of the most enigmatic novels and authors of all time. **American Boarding School Fiction, 1928-1981** Alexander H. Pitofsky, 2014-08-08 When boarding school fiction became popular in the 19th century, it tended to be warm and nostalgic, filled with sporting events, practical jokes, and schemes to get even with campus bullies. All of that changed in the era discussed in this book. Holden Caulfield, the narrator of J D Salinger's *The Catcher in the Rye*, drops out of one prep school and is expelled from two others. The conflicts between students in John Knowles's *Devon School* novels become so heated that two young men die. And in the controversial novel *Good Times Bad Times*, James Kirkwood portrays the headmaster of a private academy as closeted, deeply neurotic, and

infatuated with an 18 year old who has recently enrolled at his school In spite of their unsettling images of anguish and cruelty these and other American boarding school novels have attracted large audiences and influenced countless school narratives in fiction drama television and film Many books have been written about British school stories This is the first study that explores the history of boarding school fiction in the United States

Contemporary American Literature (1945-present) Karen Meyers,Erik V. R.
