He has a full, dark beard and mustache, and his expression is serious and contemplative. The background is dark and textured.

The Catholic Controversy A Defense Of The Faith

Lawrence Feingold

The Catholic Controversy A Defense Of The Faith:

The Catholic Controversy St. Francis de Sales, 1986-01-01 Between 1594 and 1598 a preacher named Francois converted 72 000 Protestants to the Catholic Faith These are his words One of the most remarkable and well documented events in Catholic history began when a young priest St Francis de Sales volunteered to re evangelize the Calvinists of the Chablais Finding his preaching forcefully rejected St Francis de Sales shrewdly switched tactics and began a written apologetics campaign posting pamphlets on walls and slipping them beneath doors under the cover of night His defense of the Faith was so clear and thorough that at the end of four years nearly the entire population of 72 000 had returned to the Catholic Faith These powerful little tracts are as relevant today as they were in the late 1500s St Francis de Sales draws support from Scripture the Fathers and Doctors of the Church to address questions still frequently posed by modern Protestants Revered as some of the most cogent arguments against Protestantism ever penned they present a defense of the Catholic Faith that has never been equaled Now with beautiful new cover easier to read size updated typesetting and the original content 320 pps PB St Francis de Sales was one of the most effective Catholic apologists and evangelists of the past five centuries Undoubtedly he is the most effective apologist to Protestant Calvinists who has ever lived Steve Wood Family Life Center International

The Catholic Controversy Saint Francis de Sales, Reverend Henry Benedict Mackey O.S.B., Catholic Way Publishing, 2015-04-22 THE CATHOLIC CONTROVERSY SAINT FRANCIS DE SALES A Catholic Classic Includes Over 300 Active Linked Endnotes Includes an Active Index Table of Contents and Layered NCX Navigation Includes Illustrations by Gustave Dore Publisher Available in Paperback ISBN 13 978 1 78379 454 6 After being repeatedly rebuffed in his attempts to re evangelize Calvinist Protestants who would not listen to Catholic preaching for fear of reprisals St Francis turned to writing leaflets and inserting them into copies of his sermons which he then posted on walls slipped under doors and handing to whomever he could Four years later almost 72 000 had returned to the ancient Catholic Faith These tracts have been compiled into a book and given the title *The Catholic Controversy* The works are still as fresh and powerful today as they were then and give some of the most compelling arguments against Protestantism that have ever been written presenting a defense of the Catholic Faith that in some respects has never been equalled PUBLISHER CATHOLIC WAY PUBLISHING

The Catholic Controversy Saint Francis de Sales, Aeterna Press, 2015-09-01 THE FOLLOWING TREATISE is the message or teaching of S Francis de Sales to the Calvinists of the Chablais reluctantly written out because they would not go to hear him preach The Saint neither published it nor named it We have called it *The Catholic Controversy* partly to make our title correspond as nearly as possible with the title *Les Controverses* given by the French editor when the work was posthumously published chiefly because its scope is to state and justify the Catholic doctrine as against Calvin and his fellow heretics It is the Catholic position and the defense of Catholicism as such At the same time it is incidentally the defense of Christianity because his justification of

Catholicism lies just in this that it alone is Christianity and his argument turns entirely on the fundamental question of the exclusive authority of the Catholic Church as the sole representative of Christianity and Christ Aeterna Press The Catholic Controversy (Classic Reprint) Saint Francis De Sales, 2015-07-03 Excerpt from The Catholic Controversy This teaching he tests in Part II By the Rule of Faith Assuming as common ground that the Word of God is the Rule of Faith he shows that the so called reformers have composed a false Scripture and that they err also in rejecting Tradition or the unwritten Word of God And then proceeding to the central point of his case he shows that while the Word of God is the formal Rule of Faith is the external standard by which faith is to be measured and adjusted there is need of a judge who may explain apply and declare the meaning of the Word That judge is the Holy Catholic Church She is thus the necessary exponent of the Rule of right believing and each of the voices by which she utters her decision becomes also a part of the Rule of Faith viz her own general body Councils Fathers and her supreme Head and mouthpiece the Pope the successor of S Peter and Vicar of Christ Miracles and harmony of doctrines may be considered the complement of the Rule of Faith In all these matters the Saint proves conclusively that the Catholic Church alone fulfils the necessary conditions In Part III He comes to the doctrines of the Church in detail but of this Part there only remain to us three chapters on the Sacraments and an Essay on Purgatory This may suffice as to the aim and subject matter of the Treatise Of its intrinsic merits the author s name is sufficient guarantee but we add more direct testimony because it is a new revelation of the Saint About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Faith Comes from What Is Heard: An Introduction to Fundamental Theology Lawrence Feingold, 2016-07-01 Faith Comes from What Is Heard An Introduction to Fundamental Theology informs both the heart and mind as it brings together dogmatic and biblical theology the Thomistic tradition the teachings of the Fathers of the Church and the contemporary Magisterium Drawing heavily upon the works of St Thomas Aquinas Bl John Henry Newman Joseph Ratzinger and St John Paul II the author examines the foundations of Catholic theology or Fundamental Theology which is theology s reflection on itself as a discipline its method and its foundation in God s Revelation transmitted to us through Scripture and Tradition Although Faith Comes from What Is Heard is useful for all Catholics who want to understand the foundations of their faith it is specifically designed to serve as a textbook for courses in Fundamental Theology in seminaries and in graduate and undergraduate programs in theology It can also serve as a textbook for introductory theology and Scripture courses The topics covered in Faith Comes from What Is Heard include Revelation and Faith Theology Tradition and the Magisterium Biblical

Excerpt from Christian Apologetics A Defense of the Catholic Faith Mgr Fontenau Archbishop of Albi writes Under a modest title and in a simple and unpretentious form you have united in a single volume all the arguments which Catholic controversy opposes to contemporary irreligion Exegesis philosophy theology history physical sciences political economy all branches Of knowledge human and divine concur in your work to demonstrate incontestably the perfect agreement of reason and faith The proofs are abundant well chosen and well presented the arguments nervous and powerful the style clear sober and precise Your Course of Christian Apologetics therefore is not only an instructive book it is also a finished model of methodical exposition and learned discussion For these reasons it is truly a most valuable work Therefore I should like to see it in the library of my seminarians and priests they will find in it all the elements of Catholic controversy and learn from it how to use them Mgr Vigne Archbishop of Avignon writes I shall recom mend it the more willingly that in my Opinion it meets the needs of our time and that in addition to its being incontestably opportune it has the essential merit of clearness solidity of doctrine and brevity Ignorance Of the truths of religion is the great evil Of our day and undoubtedly one of the chief causes of the weakening of the faith among us Therefore Rev Father I should like to see your book in the hands of all young people Mgr Sebaux Bishop of Angouleme writes I am happy to unite my suffrage with that Of my venerable colleagues The book is so clear so well arranged and so suited to the condition of minds of the present day that it will render most valuable service I shall gladly recommend it and I earnestly desire to see it not only in the hands of the most advanced pupils of our institutions but also of men of letters whom a defective religious training has left in ignorance of the decisive reasons of our faith or who are in a state Of doubt created by Objections which they know not how to answer About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Fight for Sola Scriptura** Matthew Cserhati,2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement

liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt The Catholic Controversy Saint Francis (de Sales),1886 The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity Casey J. Chalk,2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There s a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy Spirit will be able to determine at least what is necessary for salvation if not much more The Obscurity of Scripture Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity catalogues and analyzes the historical theological and philosophical dimensions of perspicuity and finds the doctrine not only confused but erroneous destructive and self defeating The Obscurity of Scripture exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out
