THE CATHOLIC YOUTH PRAYER BOOK Robert Feduccia Jr & Mary Shrader, The Living Church, 1942

Domesticating the Reformation Mary Hampson Patterson, 2007 This book rescues three little known bestsellers of the English Reformation and employs them in an examination of intellectual and religious

revolution How did sixteenth century English Protestant manuals of private devotion often to be read aloud stream continental theology into the domestic contexts of parish school and home Patterson elucidates ideological programs presented in key texts in light of evolving patterns of public and private worship she also considers the processes of transmission by which complex doctrinal debates were packaged for cultivating an everyday piety in a confusing age of inflammatory politicized religion It is in the most prosaic challenges of daily realities that the deepest opportunities lie for experiencing the divine Intersecting issues of piety rhetoric and the devotional life of the home this book brings to life reformists endeavors to guide popular responses to the Protestant revolution itself
