March, 2017-06-24 Destiny stares at you in dreams then meets you in waking nightmares Morgan and Brianna two sixteen year old Irish girls stumble upon a magical book hidden within the standing stones Believing local mythology is just an interesting tale about immortal killers vengeful gods and age old battles they take the stories lightly until the book mentions their ancestors and reveals the girls may be destined to fulfill an ancient prophecy Discovering a deadly rift once split the fae and mortal realms as the result of a forbidden love between the fae and druids the girls dedicate themselves to the book A covenant with the gods had been broken and the responsibility of restoring the worlds fell to the Gemini descendants of the illicit lovers These chosen caretakers of the elemental stones were challenged to protect the elements from the dark mystics With a vow to destroy all the chosen evil forces used black magic to release the daemon from the Underworld and the Gemini went into hiding while the battles to find them raged on through the ages Years later psychics and profilers all over the world are being targeted for death A historic pattern becomes obvious to a former FBI agent and an Irish psychic who forced to join forces are assigned to discover who or more precisely what is targeting psychics and why They also discover an improbable relationship linked to their past Fae mythology isn't in the FBI training manual but when a killer disappears into a solid stone wall it's time for Graeme to re-evaluate reality Recently the pragmatic FBI instructor has a hard time dealing with the woman's thoughts seeping into his mind Psychic or not none of this can be real More and more he's convinced she's the same girl who's been in his dreams since childhood Morgan only felt whole in her dreams when Graeme joined her There is no doubt Graeme is her old imaginary playmate What does it mean now that his thoughts are breaking through when she's awake Even if he refuses to accept their connection his presence in her mind is a comfort until their shared dreams turn into nightmares **Angel Assassins - Book I - Lineage & Lies** J.J.
