Swindoll, 2011-02-14 It's never too late Whether you're a new Christian or you've walked the road for decades it's never too late to find the critical truths that make life make sense We often start out believing that common sense will be enough that we're prepared for the road ahead with our good values and quick thinking It doesn't take long to learn otherwise A broken friendship An obsessive career Financial distress Even empty success We come back to God searching for insight for hope And He provides Nothing can replace studying the Bible Best selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts But if sixty six books seem overwhelming *The Owner's Manual for Christians* is the perfect starting place a biblical summary of the major truths that anchor the Christian life From grace to freedom these chapters walk the reader through the keys to a life well lived drawn from the Creator of life itself Life is often confusing but it does not have to be impossible Read *The Owner's Manual for Christians* and find hope for the road ahead **Life's**

Operating Manual Tom Shadyac, 2014-05-05 Just about everything today comes with an operating manual from your computer to your car from your cell phone to your iPad Is it possible that Life comes with an operating manual as well That's the simple but powerful premise of Tom Shadyac's inspiring and provocative first book Written as a series of essays and dialogues we are invited into a conversation that is both challenging and empowering The question now is can we discern what is written inside this operating manual and garner the courage to live in accordance with its precepts *Connecting to the Word* Ronald Tocci, Carrie Tocci, 2006-03 [Instructions Are Included](#) I. G. Hughes, 2009-08 Wouldn't it be nice if an instruction manual for how to live each day was issued at birth Well there's good news There is a manual It's called the Bible Author I G Hughes has developed a discipleship tool *Instructions Are Included* to help believers become more familiar with God's Word and how it can be used to guide every individual through the twists and turns of life *Instructions Are Included* is a simple tool that can be used by anyone and for anyone It's a fifty two week study designed to be used individually one on one or with a small group Divided into four thirteen week sections to allow for a break if need be Hughes has expertly crafted a valuable devotional study rooted in sound scriptural truth Mankind is indeed not left in the dark *Instructions Are Included*

[Restoring the Restoration Movement](#) N. R. Kehn, Scott Bayles, 2009 The Churches of Christ and Christian Churches comprise two of the principle fellowships to evolve from the American Restoration Movement a movement fueled by the desire to abolish denominational borders and boundaries that have long divided the Christian community in hopes of building a brotherhood inclusive of all genuine followers of Jesus Christ Nearly two centuries later however many within these two fellowships have abandoned the work of restoration and the hope of a united Christian fellowship In *Restoring the Restoration Movement* authors N R Kehn and Scott Bayles with clever insight and a conversational tone take a look under the hood at many of the doctrines that have divided the Churches of Christ and Christian Churches from each other and from

mainstream evangelical Christianity in general all in hopes of returning to the on going work of restoration and to the original ideals of the Restoration Movement and true Biblical Christianity N R Kehn has been a longtime member of Churches of Christ With a secular degree in Network Administration and ongoing education in Software Engineering Nathan combines impeccable logic with diligent Bible study He currently serves in various capacities at the Florissant Church of Christ in Saint Louis MO where he also resides with his two sons Nathan II and D W Scott Bayles is a graduate of Freed Hardeman University and has preached for numerous Churches of Christ within the United States and abroad He is also the author of The Greatest Commands Learning to Love like Jesus Currently he serves as the preaching minister for First Christian Church of Rosiclare IL where he lives with his wife and two children

Lessons from Laodicea Ross A. Lockhart, 2016-04-08 I m rich and I don t need a thing bragged the early Christians in the big city of Laodicea The Apostle John however saw their affluence and arrogance through a theological lens He declared them to be bankrupt lukewarm Christians whom God would gladly gargle and spit out Today the mainline church in the West finds itself in a dominant culture of Laodicean affluence where even faith is a commodity to be consumed While the gospel spreads and thrives in the global South and East the Western mainline church looks longingly back at Christendom and forward in fear As Christians living in a North American culture that highly prizes the unholy Trinity of individualism consumerism and secularism we require a new kind of missional leadership to pray attention to what God is doing in the world around us This book names the challenges and promises inherent in partnering with the Holy Spirit in order to offer missional leadership in a culture of affluence It is about both living in Laodicea and leaving it behind We are no longer in a Babylonian captivity but a Laodicean one This work helps chart a course for Christians who long to let go of country club religion and instead belong to a community that helps equip missionary disciples resistant to the dominant culture and resplendent in the love of our triune God
