Dr Gordon Arthur

The Code Of Canon Law A Text And Commentary Study Edition:

The Cambridge Companion to Joseph Ratzinger Daniel Cardó, Uwe Michael Lang, 2023-12-21 A study of key themes in Ratzinger's thought highlighting his theological synthesis in response to religious and intellectual challenges First and Second Timothy, Titus George T. Montague, Mary Healy, 2008-11 A Catholic commentary on the letters to Timothy and Titus that presents sound exegesis followed by a reflection on the text's pastoral theological and practical applications

Contracts Between Ecclesiastical Entities According to Canon Law Joseph Clifford N. Ndi, 2018-08-28 Within ecclesiastical circles both from the perspective of legal practice and ordinary relational matters between ecclesiastical entities the theme of contract very scarcely occupies a place of prominence It is a situation that is due on the one hand and to a large extent to the fact that the canonisation of civil law on contracts c 1290 CIC 1983 has had the consequence of transferring the preoccupation of the entities on this matter to the domain of civil law Besides and still connected to the above is the tendency to attribute a merely pastoral relevance to their relationships with little or no reference to the juridic aspects inherent in these relationships It is a situation that is largely responsible for the crisis which do not uncommonly characterise some of these relationships as verified over the centuries particularly in the relationship between dioceses and religious institutes The issuance of various papal and conciliar exhortations before and after Vatican II as well as the normative instructions and legal provisions contained in various juridic documents most prominently cc 271 520 681 and 790 of CIC 1983 has gone a long way to dissipate some of the tensions of the past However the true nature of how the contractual relationship between ecclesiastical entities including the attendant issues of conceptual understanding civil status of ecclesiastical entities resolution of contractual disputes etc remains a matter of investigative interest for the canonist This is in a nutshell the substance of this research work The conclusions arrived at offer the reader an insight into the available untapped resources within the ecclesiastical legal system as well as some considerable possibilities which remain to be explored to the benefit of the subjects of canon law

Liturgical Mysticism David Fagerberg, 2019-12-01 Some think that liturgy is formal public and for ordinary people while mysticism is uncontrollable private and for extraordinary saints Is there a connection between the two In this volume David Fagerberg proposes that mysticism is the normal crowning of the Christian life and the Christian life is liturgical We intuitively sense that liturgy and theology and mysticism have an affinity Liturgical theology should reveal liturgy's mystical heart Liturgical theology asks What happens in liturgy and liturgical mysticism asks What happens to us in liturgy and perfects our interior liturgy In *Liturgical Mysticism* Fagerberg directs the reader to look fixedly at Christ who is the Mystery present in liturgy and who bestows his resurrection power upon his adopted children In a time where both too wild and too mild spiritualities abound it is audacious to put forward a book on liturgical mysticism This book continues to enrich liturgical theology by amplifying its horizon and solidifying the foundation on which it rests Joris Geldhof Katholieke Universiteit Leuven

My Call to Priesthood Ronald Eberley, 2006-01-26 A

personal story of one married Roman Catholic male's attempt to become a priest. This is the story of Ron Eberley's so far futile effort to become a married priest. It is also a clear account of the chequered history and tortuous theology of mandatory celibacy.

Divine Worship and Human Healing Bruce T. Morrill, 2013-03-15. Would many believers consider a wake or funeral an act of worship? What does it mean to say that in anointing the sick or administering Viaticum to the dying humans are healed? Such questions plumb the biblical and traditional depths of the paschal mystery. Just as Jesus' ministry at the social religious margins revealed the center of his faith in God's reign, so also the church's ministry to sickness and death reveals much about the baptismal and Eucharistic worship so central to its entire life. In *Divine Worship and Human Healing* Bruce Morrill turns to the rites serving the sick, dying, deceased and grieving to show why sacramental liturgy is so fundamental to the life of faith. Readers will appreciate both his compelling narratives from actual pastoral experience and his engagement with biblical, theological, historical and social scientific resources. Morrill invites readers to discover how the liturgical ministry of healing discloses God's merciful love amid communities of faith.

Jesuit Father Bruce Morrill discusses new book on Liturgical Theology from Jesuit Conference USA on Vimeo.

An Introduction to Canon Law Revised Edition James A. Coriden, 2004-01-09. Catholic canon law changes very slowly but it constantly adds rules, interpretations and applications. Some canons are frequently invoked and others rarely used quietly pass from memory. In the dozen or so years since this introduction to canon law was first written there have been many changes and adaptations. This is one reason for a revised edition although many of the alterations are too subtle to be captured in an introductory treatment. A second reason is to include some of the many new resources, commentaries and explanations which authorities in the field have made available. Since many have found the original book helpful in beginning their exploration of the church's regulations, a fact which gratifies its author greatly, it is worth improving. Hence many sections have been clarified, expanded and updated and some others deleted. In a few places the material is reordered. Seven new case studies have been added. These improvements are a third reason for revision. Context of recent scandal has revealed inadequate applications of canon law. Serious canonical crimes were often treated as personnel problems calling for repentance therapy and reassignment rather than the investigation and imposition of penalties which the canons prescribe. Would a more careful observance of the traditional canonical system have saved many young people from serious harm and the church from an immense disgrace? The question provides one more incentive to begin to learn about canon law.

Law, Liberty and Church Dr Gordon Arthur, 2013-05-28. *Law, Liberty and Church* examines the presuppositions that underlie authority in the five largest Churches in England: the Church of England, the Roman Catholic Church, the Methodist Church, the United Reformed Church and the Baptist Union. Examining what has influenced their development and how the patterns of authority that exist today have evolved, Gordon Arthur explores the contributions of Scripture, Roman Legal Theory and Greek Philosophy. This book shows how the influence of Roman legal theory has caused inflexibility and at times authoritarianism in the Roman Catholic Church; it explores how

the influence of reason and moderation has led the Church of England to focus on inclusiveness often at the cost of clarity it expounds the attempts of the Free Churches to establish liberty of conscience leading them at times to a more democratic and individualistic approach Finally Arthur offers an alternative view of authority and sets out some of the challenges this view presents to the Churches **Handbook of African Catholicism** Ilo, Stan Chu, 2022-07-13 A disciplinary map for understanding African Catholicism today by engaging some of the most pressing and pertinent issues topics and conversations in diverse fields of studies in African Catholicism The Linacre Quarterly ,2002

The Enigmatic Realm of **The Code Of Canon Law A Text And Commentary Study Edition**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **The Code Of Canon Law A Text And Commentary Study Edition** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.
