Hive Mind Fever Conrad Riker, 101-01-01 Your mind is not your own and your woman is not who you think she is. Have you ever looked around and realized that every woman you know is acting the same? Obsessed with trends, emotionally unstable, medicated, angry at men, chasing validation, destroying families. Did you once believe in love, loyalty, and motherhood, only to be betrayed by the women who claimed to embody them? Are you tired of watching Western civilization collapse under a wave of female-led insanity, all amplified by algorithms, SSRIs, and ideological possession? This book is not for the weak. It's not for the deluded. It's for men who have seen the rot, named it, and are ready to fight back. Exposes the invisible psychic epidemic turning women into emotional zombies and how social media is the transmission vector. Reveals how SSRIs chemically disable natural female instincts, replacing them with artificial independence and anti-male aggression. Documents the historical pattern of female mass hysteria, from dancing plagues to TikTok psychosis, and how it's repeating in digital form. Destroys the myth of mental health as sold by Big Pharma and Big Tech, and shows how it's used to medicate women into compliance with degeneracy. Uncovers how feminism and cultural Marxism hijacked female psychology, turning motherhood into a curse and men into enemies. Proves that social media is not entertainment; it's a weaponized behavior modification system designed to fragment identity and destroy tradition. Restores the sacred male role as protector, leader, and truth-seeker in a world gone mad. Offers a path out, not through therapy or retreat, but through spiritual clarity, masculine discipline, and total cognitive rebellion. If you want to break the spell, reclaim your mind, and rebuild civilization on truth, buy
