The Economics of the Audiovisual Industry: Financing TV, Film and Web Mario La Torre, 2016-12-23 This book is open access under a CC BY licence Recent reductions in public funding for audiovisual products have led to dramatic changes in the industry The lack of interaction between the industry and capital markets has made sourcing funds for audiovisual products especially difficult This book explains why the distance between the audiovisual and financial markets exists and considers the perspective of both audiovisual companies and financial intermediaries Providing a thorough overview of the audiovisual industry in three major categories television cinema and web it analyses the financing behind each The author adapts the traditional assessment methods to include exploitation rights distribution deals and risk determinants he also proposes a pricing model for the audiovisual products demonstrating that prices and values in a industry of prototype goods do not depend solely on cost and revenue The book also includes a methodology for analysing the economics of the sector the different sales agreements between broadcasters and the distribution deals between distributors and independent producers Finally a description of the main financial products for private finance is provided as well as an explanation of how public funds can act as leverage to catalyze private resources through the use of guarantee funds In *The Economics of the Audiovisual Industry* the author suggests that rather than relying on subsidized public support the audiovisual industry should foster private public partnerships and market dynamics to promote an alternative funding model based on a profitable and long lasting connection between the audiovisual and financial markets The valuation model both for products and firms proposed in this book are at the basis of this new

How to Read Like an Anti-Fascist Annette Wannamaker,2025-06-03 On the urgent need to promote critical reading skills amidst rising authoritarianism Children s author Philip Pullman famously said that There are some themes some subjects too large for adult fiction they can only be dealt with adequately in a children s book While the recent rise of fascist

ideology in the United States might seem a subject too large and adult to be dealt with in literature for children or teens Annette Wannamaker proposes in *How to Read Like an Anti Fascist* that there are books aimed at future generations which critique and counter fascist propaganda and mythmaking Works of literature can reflect fascist ideology and promote it as well but Wannamaker proposes that some books also offer tools for understanding it Books written for beginners can introduce readers to complex concepts break big ideas into manageable parts and teach readers how to read the world outside of the book Antifascist books are ones that analyze fascistic rhetoric and storytelling educate about America s long history of authoritarianism and highlight various facets of fascism such as scapegoating others and reasserting patriarchal power From The Emperor s New Clothes and the tales of Superman to Mildred Taylor s *Roll of Thunder Hear My Cry* the 1619 Project and contemporary works such as *All Boys Aren t Blue* and *Donald Builds the Wall* Wannamaker shows how the ethos of authoritarianism is characterized by a strict hierarchy that places children at its very bottom In doing so she argues convincingly that books written for young people can provide a particular view from the bottom a perspective well suited to interrogating systems of power

[Ecosystems](#) Monica Leonelle,2025-10-25 Are you tired of following marketing advice that feels completely wrong for how you work Wondering why strategies that work brilliantly for other authors leave you drained and frustrated The problem isn t

your effort it's that you're trying to build someone else's business instead of your own. Author Ecosystems reveals the six distinct creative archetypes that determine how you naturally write, connect with readers, and build sustainable success. This isn't another one-size-fits-all marketing system. It's a personalized roadmap based on your unique creative energy patterns. Are you a precision-focused visionary who thrives on speed and strategic optimization like the Desert? A systematic builder who creates comprehensive interconnected creative worlds like the Grassland? A cultural moment creator who generates explosive impact through strategic timing like the Tundra? A relationship-focused author who builds loyal communities through consistent authenticity like the Taiga? A healing-centered storyteller who creates deep emotional connection and transformation like the Forest? Or an immersive experience creator who builds devoted fandoms and cultural movements like the Aquatic? What You'll Learn: How to identify your core archetype and leverage your natural creative strengths. Publishing paths: traditional, hybrid, indie that align with your energy instead of draining it. Audience growth strategies designed specifically for how your type connects with readers. Creative production methods that work with your natural rhythm, not against it. Email marketing approaches that feel authentic to your archetype. Sustainable paths to six-figure success without burning out or compromising your creative vision. Whether you're just starting your writing career or you're an established author ready to work smarter instead of harder, this book provides the framework to build success on your terms. Stop trying to force yourself into marketing strategies that weren't designed for you. Start building the writing career that actually fits who you are. Author Ecosystems was co-created by Monica Leonelle and Russell Nohelty, but this comprehensive guide represents Monica's complete vision for the system, including the newly discovered sixth archetype, the Taiga, based on 2024 industry data. Your creative DNA isn't a limitation; it's your competitive advantage. Perfect for aspiring, beginning, and intermediate authors building their first sustainable writing business, as well as established authors ready to align their strategy with their authentic creative process.
