Tractates on the Gospel of John 28-54 Saint Augustine, 1988 No description available **Abraham: The World's First Psychopath** Adam Weishaupt, 2013-01-26 If you consider it impossible that the morally perfect God would order a father to make a human sacrifice of his innocent son for no reason other than to demonstrate absolute mindless obedience then the God of Abraham cannot be God So who is he The ancient Gnostics had the obvious answer he s Satan Doesn t that explain the horrific history of the Abrahamic religions and their grotesque propensity for violence Abrahamism is a terrorist religion led by a terrorist God who demands unwavering obedience even when it contradicts morality The Jews Christians and Muslims who trace their common ancestry to Abraham are thus revealed as Devil worshippers This book provides a theological dissection of the tale of Abraham from the Jewish Christian and Muslim perspectives It reveals Abraham as one of the most evil men in history and unquestionably the world s first psychopath Like the Nazis he put obedience to a tyrannical monster above human life
