The Second Coming Of The Star Gods:

The Second Coming of the Star Gods Page Bryant, 2004-02-01 Set amidst the haunting mysterious beauty of Ancient Egypt The Second Coming of the Star Gods is an epic tale of magic political intrigue and mythology Rich in historical and mystical detail the story centers on Khem and Tiye two young apprentice priestesses in the Temple of the Sun As the girls are initiated into the secret arts of dream interpretation astronomy and astral travel a battle for the great empire s throne is being waged between the Pharaoh and his half brother a battle in which the young apprentices will unwittingly play the decisive role Engaging and hypnotic The Second Coming of the Star Gods creates characters and a world so real you won t want to soon leave She masterfully recreates Egypt s 4th Dynasty the Pyramid Age a time in which gods goddesses and magicians were the true rulers of the land

Return of the Stargods Richard Vizzutti, 2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also takes the reader through the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God s children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read

Impact 2033 Shirley Dawn Shooter,2013-04-26 A perfunctory peace reigned on earth Man had procrastinated under the universal rule reluctant to make waves due to the fearsome power threatening those who would object the solar powered laser With this weapon they could pinpoint a target as small as a man or as vast as an entire city and obliterate it from the face of the earth The heat from the laser was so intense that the target vanished whole nations had thus been brought to their knees Therefore all opposition procrastinated hoping for a miracle to rid mankind of this dictatorial rule **THE BLACK GOD MAN** King Asu,2024-10-16 THE BLACK GOD MAN tells the story of Leader Olumba Olumba Obu and his kingdom called Brotherhood of the cross and star in a way no one has done before Olumba Olumba Obu is Nigerian religious leader who founded the Brotherhood of the cross and star in 1956 and called it the Kingdom of God on earth he was believed to be the promised Comforter returned Christ and God almighty The members believed he was imortal but he dissappeared from the surface of the earth in 2002 and has never been seen since then this book unearths the mysteries and intrigues of the man his organisation and his son who took over the kingdom and is currently been projected to even be a mightier God than his father the book is the biggest expose of Brotherhood of the cross and star **Victory in 2024** George

Washington's Last War MMXXIV Don Ray Hope,2014-10-29 Don Ray Hope has unlocked how similar events repeat with mathematical precision throughout history God designed His perfect universe this way Thus with mathematics you can predict the future The forecasts of Washington Daniel Ezekiel Jesus and other prophets are arranged in a specifically dated timeline and the future of America is laid out in stunning detail America is at a turning point Most Americans will not live to see 2024 will you The guideposts are contained herein The families that own the Federal Reserve are the same families that nearly one hundred years ago inflated the German mark to worthlessness The result was WWII and the destruction of Germany The USA shall suffer the same fate The dollar will collapse WWIII will break out and the US government will collapse and be destroyed The truth God told George Washington via an Angel at Valley Forge was that later America will rise from the ashes of this war and that America s Victory is guaranteed **Revelation Revealed** Nick Peros,2022-03-22 Revelation Revealed is a study of the book of Revelation It is not an end times book in that it does not seek to identify current events in the light of Bible prophecy rather Revelation Revealed examines the book of Revelation itself what are its key imagery and symbols What do they mean What are the timelines of the book What is the sequence of events What are the Days of Noah Who is the Beast and how do we understand him What is the mark of the Beast How do we understand Babylon the Great the Mother of Prostitutes Is there a rapture All of these questions and many more are addressed with all questions

being approached exclusively from the standpoint of Scripture itself it is Scripture which answers these questions for us and clear conclusions are reached The events outlined in the book of Revelation are the most prophesied events in the Bible and Revelation Revealed shows that the book of Revelation is understandable for God has given us all that we need in order to understand it
