Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries

What Readers Do Beth Driscoll, 2024-02-21 Shining a spotlight on everyday readers of the 21st century Beth Driscoll explores how contemporary readers of Anglophone fiction interact with the book industry digital environments and each other We live in an era when book clubs bibliomemoirs Bookstagram and BookTok are as valuable to some readers as solitary reading moments The product of nearly two decades of qualitative research into readers and reading culture *What Readers Do* examines reading through three dimensions aesthetic conduct moral conduct and self care to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism Analyzing reading as a post digital practice that is a synthesis of both print and digital modes and on and offline behaviors Driscoll presents a methodology for studying readers that connects book history literary studies sociology and actor network theory Arguing for the vitality agency and creativity of readers this book sheds light on how we read now and on how much more readers do than just read

Systems from Hell David A. Rochefort, 2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change

Boyhood in the Digital Age Laura Scholes, Garth Stahl, Sarah McDonald, 2025-11-11 Boyhood in the Digital Age recognizes that digital spaces serve two roles they open doors to new ways of learning connecting with others and expressing creativity But they also expose young people to new risks including harmful ideas about what it

means to be a man This book offers practical insights for anyone who wants to help boys and young men thrive online while avoiding the pitfalls that can harm them and others **ECSM 2023 10th European Conference on Social Media** Iwona Lupa-Wójcik,Marta Czyżewska,2023-05-18 *Educational Research and Innovation What Does Child Empowerment Mean Today? Implications for Education and Well-being* OECD,2024-05-15 Childhood is changing in ways that we are still unpacking affected by digitalization globalization and climate change as well as shocks such as the COVID 19 pandemic In many OECD education systems child empowerment is increasingly an explicit aim of policies and practices But it is often poorly defined which risks turning it into a mere slogan With the advancement of children s rights children are increasingly being included as stakeholders in decision making processes This report gives examples of how children in OECD countries can and do participate in making decisions about issues that affect them The report examines children s emotional well being and physical activity and the role of schools as a physical space to create and support relationships It also underlines the untapped potential of media education when it comes to seizing opportunities in childhood Empowering all children to make the most of digital opportunities starts with further narrowing the gap in terms of access to digital tools and the Internet where inequalities are persistent and pervasive So what does child empowerment mean today Empowered children have the opportunity and ability to act on issues important and relevant to them can learn by making mistakes and are key contributors to democracy **Next Level Grammar for a Digital Age** Darren Crovitz,Michelle D.
