Exploring the Levels of Creation Sylvia Browne, 2009-10-05 EXPLORING THE LEVELS OF CREATION Have you ever wondered about life and creation Is there existence after death Why do we have to go through such trials and tribulations here on Earth Why do we have thoughts and dreams that run from the sublime to the bizarre Why do goodness and evil go hand in hand in life or do they The answers to these questions and more are brought to light by author and spiritual teacher Sylvia Browne Once again she shares her psychic gifts and years of research in order to enlighten us and give us more insights into God and the realities of life This time she tackles the structure of creation by showing us that there really is purpose and order in our seemingly chaotic world She outlines the levels of physical incarnation along with the reality of the afterlife and the heretofore unexplored lower levels of creation From the wondrous and weird lower levels to the everyday intricacies of life on this planet to the beautiful and perfect Other Side Sylvia takes us on another journey of exploration and truth This is a book that explains all levels of life as only Sylvia can

A Christian's Guide to Tactics of Spiritual Warfare Kevin Mills, 2012 This book is my opinionated interpretation of spiritual warfare and is a tactics guide to learning a different way of viewing Christianity It is a combination of perception and psychology and how it relates to you finding the kingdom of God on earth Furthermore it gives examples of situations to be aware of daily and how you should react and why It is my interpretation of God's Word and the Bible It elaborates on the role of Jesus Christ how he plays an important role in human hearts how he has a desire to enter the righteous hearts of those who confess their sins and pray Through God's Word in the Bible and the sacrifice of Jesus we all are redeemed by the blood of Christ making us brothers and sisters in Christ This gives humans the ability to call on the power of angels or any heavenly being with an allegiance to God to help them in their everyday lives which is essential in spiritual warfare The book also includes the role of the angels how they have influence over our lives Your personal praise rejoicing and worship of Jesus and God could lead to the power of all heavenly angels to serve God's ultimate plan for victory in spiritual warfare Perception is going to be a key in spiritual warfare Basically one type of perception is visual perception and it deals with keeping your eyes from viewing all negative stimuli keeping demons away It also deals with how God uses signs right in plain view to show you that he is near God uses subliminal messages people from your family random people and ministers to deliver his Word The book also talks about Satan how he makes you feel unhappy because of your sins provoking bad language out of your mouth which can lead to evil thoughts which can escalate to deeper

sin and which can inevitably lead to the capture of your soul In the end I show you many techniques on how to combat Satan and how to believe in yourself This powerful self help book shows that basic willpower and knowledge of Christ can defeat any obstacle *Everyone's Guide to Demons and Spiritual Warfare* Ron M.
