Social Media Campaigns Carolyn Mae Kim, Matthew Prince, 2025-08-21. This third edition continues to give students a foundation in the principles of social media, strategic communication, and marketing necessary for today's communications professionals. In many ways, organizations now have access to more data and connection points than ever before. Yet this abundance requires more strategic and nuanced efforts. At its core, however, one aspect remains the same: The drive to create authentic human connection. Focusing on the principles for effective strategic communication via social media, this text allows readers to learn techniques and skills that transfer to different social media platforms. This edition again takes students through the processes of social listening, strategic design, creative engagement, and evaluation, with expert insights from social media professionals. This third edition includes new insights on AI ethics and organizational strategy that reflect the changing landscape of social media. Expanded insights from industry professionals to equip students with diverse perspectives on leading social media hot topics. Updated case studies and real-world examples that showcase how successful brands are navigating the latest trends in earned media, influencer marketing, and community management. This is an ideal text for undergraduate and postgraduate courses in social, digital media, marketing, and public relations, or a secondary text in broader campaign planning and writing.
