I met my younger self for coffee this morning.

We were both very nervous about the meeting process.

We ordered a caramel macchiato, I ordered an iced oat milk latte.

We told her how she can't wait to get out from under our parents' house and move out to her own house, but for her house, it's not her own house, it's her parents' house, and she's still living with them.

We asked her how she's doing? She said she's doing well, but she's still not happy, but she's still not happy, but she's still not happy, but she's still not happy.

We asked her if we could be friends from the internet? She said yes, but she's still not happy, but she's still not happy, but she's still not happy, but she's still not happy.

We were feeling excited, nervous, and a little bit scared for her future.

Hope we meet again soon.

She was right on time, I was 2 minutes early.

She ordered a sugar free red bull, I ordered a matcha with honey, cinnamon, and organic whole milk.

We asked if we just wanted our anxiety, hormonal acne, bloating, fatigue, and hypothyroidism.

I told her we're fully healed, but now we're struggling with the same things.

We asked if we ever moved out of our parents' house.

I told her we moved to a tiny city and currently live in LA in the suburbs.

I hope I get to have coffee with her again soon.
