and Children s Record Guild were the first commercially significant record clubs in the world By applying proven book club  
methods to the field of phonograph records these two related companies attracted some hundred thousand subscribers at  
their peak and serviced perhaps a million members in their existence Revolutionizing Children s Records The Young People s  
Records and Children s Record Guild Series 1946 1977 tells the history of YPR CRG explaining how these two labels  
intersected important developments in the histories of mass marketing recording technology educational philosophy folk  
music contemporary composition and Cold War politics David Bonner covers in detail the history of YPR CRG tracing its  
influences back to the beginnings of music education in the 19th Century and incorporating the impact of the American folk  
music revival on music educators The narrative follows the career paths of the company principals such as its progressive  
founder Horace Grenell the musicians who recorded for him like American folk music revival pioneer Tom Glazer and the  
record industry offshoots they created in the process Bonner considers advances the club made in recording technology as  
the first record label devoted exclusively to unbreakable vinyl discs and provides a comprehensive summary of record club  
marketing including the application of music appreciation to phonograph records He also charts the commercial critical and  
political response to these endeavors including an historical footnote to the Red Scare unavailable in existing Cold War  
literature A complete and detailed discography listing every YPR and CRG recording including all known writers and  
performers concludes this excellent reference for scholars nostalgists and phonographic fanatics
