life would be so diverse and exciting in many different ways but it is Just in the past 6 weeks alone I have saved the life of Molly my mother in law I saved a family of 11 from needing to sell 10 of their kidneys just to survive I calmed the minds and hearts of Mindy Toni Sabrina and Cally concerning the newest member of our unusual family concerning the arrival of a real dominate ALPA male who Ally brought home and fell in love with I was working with the FBI Interpol and Lloyds of London in solving the kidnapping of 8 men I took on a criminal case involving Allys new Love whereas he was arrested for caning a young lady in a BDSM relationship This case will become very interesting in the future but it concerns everyone who practices any part of BDSM you will want to stay tuned for this outcome I got to make love to one of the smartest the most pretty the most Lady the intelligent Cally my wife Just thinking about how much I love Cally brings tears to my eyes I am the luckiest shemale sissy maid in the entire world Fetivion: A City For Sissies (Diaper Version) Penelope Pansy,2024-05-05 Penelope is in trouble and is being taken to a place as a result of her crime This place is called Fetivion a city state with its own rules and culture This amazing city is very accepting of sissies and adult babies and they are allowed to live in the open and not treated badly Penelope is sentenced to be an indentured servant But what will this actually entail in such a place This is an extraordinary tale about a place we all wish existed in the real world where adult babies and sissies can live their lives openly *CALLY AND MISSY, TWO M MISSY*,2013-02-21 I guess this is a good place to end this book as once again you are caught up with the most unusual life that Cally and I share with our unusual family However once again my life with Cally never seems to be dull anymore In fact my life with Cally has never been dull it is just more exciting since we got married almost a year ago Milly has been progressing very well as her sissy maid self under the direction of Miss T As well Molly seems to accept and even enjoy milly better now Sabrina certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them In other words if they do not like what Sir did and the District Attorney says it was wrong they just agree and give it no more thought I disobeyed a direct order from Cally for the very first time Cally let me know that that was unacceptable in a very painful and very humiliating way I don t think I will make that mistake again at least I hope not Cally and I went to the most unusual place in South America in cooperation with Lloyds of London the FBI and Interpol in an effort to find out why men were disappearing from FemDom Nation a community of Dominate women and male submissives FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males People from all over the world come there to enjoy their life style for a few days to a few weeks Submissive men can go their alone or with a dominate female Dominate women are welcome with or without a submissive male It was really a neat place and Cally and I
