The Everything Guide To Personal Finance For Single Mothers Book Susan Reynolds, Robert Bexton, 2007-04-12

Are you a single mother who worries about your family's financial future? The Everything Guide to Personal Finance for Single Mothers has the savvy financial advice you really need. Packed with helpful tips and sound financial practices, this practical yet inspirational guide leads you on a step-by-step journey to financial independence and security. This guide features tools to help you assess current financial health, set goals near and far, narrow the wage gap, and conquer debt. From how to get out of debt, establish good credit, and qualify for a mortgage to opening a college fund, planning for retirement, and even starting your own business, The Everything Guide to Personal Finance for Single Mothers is the financial advisor you need to secure your future and that of your children. Susan Reynolds is a journalist, author, businesswoman, and single mother who handles her own financial affairs, including managing her retirement fund. Robert A. Bexton, CFA, has been an investment analyst since 1999. Currently, he manages 70 million of clients' assets for Moirai Capital Management. He holds the prestigious Chartered Financial Analyst designation and earned a B.A. in Economics from UC Berkeley.

Financial Success for the Rest of Us Tony Raygoza, 2010-02

Tired of the all-too-common drudgery of struggling financially? Break the barrier of financial success with Tony Raygoza's new book, *Financial Success For The Rest of Us: Ten Proven Steps to Master Your Finances and Reach Your Goals*. By following the financial program detailed here, you can literally save hundreds of thousands of dollars by expertly managing and investing your money. *Financial Success For The Rest of Us* is unique from other books in its category in that it provides comprehensive step-by-step guidance on all important aspects of managing and investing money in a concise, easy-to-read, and understand format. From budgeting and wise spending to eliminating debt and maximizing return on investments, this book offers detailed instructions for all important facets of effectively managing personal finances. Through this book, Tony Raygoza provides the real-world financial knowledge that our educational system fails to deliver. If you are serious about becoming financially secure and reaching your goals, you must read *Financial Success For The Rest of Us*. It's one of the best investments you will ever make.

What the Experts Have to Say About This Book: My 2008 book, *The Ten Roads to Riches*, defines and details the 10 basic ways people can methodically get wealthy. Tony Raygoza's new book gives the layperson ten proven steps down one of those roads—the one I call the Road More Traveled, which is how to be thrifty, save, and invest well. The most common way people get wealthy? Young people thinking of their future should be sure to read Tony's book because what Tony offers really has time on its side for them. Ken Fisher, Founder and CEO, Fisher Investments, New York Times Bestselling author, and Forbes Portfolio Strategy Columnist: There's much to learn about the world of personal finance, and this book covers many of the basics in a sensible, straightforward way. Heeding its advice can improve your financial condition considerably.

Business, Occupations, Professions, & Vocations in the Bible Rich Brott, 2008. Since the beginning of time, small business has played an important role in all societies and cultures. It has been a vital part of community as craftsmen, laborers, manufacturers, buyers, and sellers exchange wares and talents. From ancient times to modern times, people have lived their lives centered around crafting something of value to use at home and to sell outside of their home. Economies have been perpetuated as they centered around commercial activities and commerce. From ancient Greece and Ethiopia to ancient India, the ingenuity of humans, beings, and their ability to design, craft, manufacture, and harvest have kept countries and kingdoms with food on the table. This has allowed cities, nations, and kingdoms to prosper. Economic entrepreneurship has a history of success in every area of the world. It has sustained families, cities, and nations as it has created employment opportunities and economic growth.

Biblical Principles for Staying Out of Debt Rich Brott, 2008. In easy-to-understand narrative, author Rich Brott explains the great danger that all of us will make bad financial decisions. It's not that we deliberately set out to do so; we just follow cultural norms and wind up deep in debt. While many are able to recognize bad spending habits and somber patterns and actively take corrective measures, getting out of debt just brings you to the starting line. Next comes a tenacious determination to stay out of debt. After that follows a commitment to building long-term financial security and independence. The content of this book will help you to understand seven biblical principles for staying out of debt. It starts out with how to have right thinking and knowing exactly where your money is going. The book ends with teaching you how to set financial goals and how to invest for your future.
