Fire From Heaven Mark I. Bubeck,Craig Bubeck,2010-01-01 There is a great awakening on the 21st century church s horizon and it depends on you All the signs of history and culture point to the certainty of God bringing about revival to his people one by one and soon Satan knows that to resist broad scope revival the spiritual battlefield is ironically very personal You must understand your vital part in the immanent battle and equip yourself enthusiastically to answer the call The corporate body of Christ s war is very personal battle it is in a real sense an army of one *Spiritualism identical with ancient Sorcery, New Testament Demonology, and modern Witchcraft: with the testimony of God and man against it* W. Demon Spirit "Persons" Are in Our Children! Donald R. Evans, 2025-08-05 Demon spirit persons are in our children I know this from my childhood experiences which neither I nor my parents knew because I was possessed by concealed and camouflaged invisible real live demons in my body What the world sees today and what I saw as a child is that children today throughout the entire world are more demonized or demon possessed than ever before performing all kinds of hideous heinous sinister vile and horrific acts that are all demonically controlled more than ever before even against themselves which they have no control over This book relates how children of all ages and genders how demon spirits enter their bodies without their knowledge or the world s knowledge of being demonically controlled nor their parents Some parents are in a similar condition beginning in their childhood and are still demonically controlled today This book Demons Are in Our Children also relates to spiritual revelations about how these invisible spirit persons operate internally and externally through humans of all ages and genders without discrimination This means all humans are vulnerable and susceptible to becoming demonized or demon possessed regardless of a person s Christian values or religious views It s imperative that children at young ages acknowledge that we coexist and cohabit with real live spirit persons who are smarter and highly intelligent and have the ability to enter human bodies to possess them as their own Demon spirits access avenues of entering human bodies through habits of any kind regardless of how small or large which become uncontrollable and allow them to live and perform through those they have entered to harm steal kill or destroy by any means Remember there aren t friendly demons in the world Demons are evil wicked spirit persons who want to possess human bodies to use as their own for their will and purposes and to harm steal kill or destroy lives and families
